the Murder of Aged Miss Lowery. St. Thomas, Nov. 1. - The trial of only occupants of the house were Mrs.

ALEXANDER WILLIS,

Murdering Aged Elizabeth Lowery at Rodney April Last.

on the ground. Miss Lowry struck at the man, who then dragged back of the house, where her dead body was found the next morning, there being evidences that she had been maltreated. In the meantime, Mrs. Covel had crawled into the house and locked the door. The man, coming back, demanded admittance, and not receiving a reply, broke in the back door and began a search for Mrs. Co-vel, finding her under the bed by the light of a match, and Mrs. Covel got view of his face as he looked under the bed. He is said to have shamefully beaten and misused Mrs. Covel. A cat made a noise while coming in at the back door. Mrs. Covel said it was her husband, and the man made off. Mrs. Covel on different occasions has stated and sworn that the man was of the build and that his face resembled that of the prisoner, Willis, but today she swore positively that Willis was not the man, and that she was pressed to say what she had by the officers and others. She repeatedly asserted this afternoon that Willis was not the Dr. Harvey, D. S., of Rodney, was passing nearby the Covel house on the

night of the tragedy, when in the bright moonlight he saw a man stand-ing in the gateway. The man called to On Trial at St. Thomas, Charged with him and tried to head him off, and then Harvey stopped and the man stopped, after a few words returning back to Covel's. This man, the doctor at the jury assizes at 2 o'clock this af- said, looked like the prisoner, was of ternoon. If the same progress is continued as was made this afternoon, unlike the prisoner's. This was the the case will not last more than a strongest piece of evidence the crown couple of days, and unless the crown offered.
