

STRATFORD REDMENS TO 2-2 TIE ON OWN ICE

TEAMS REPEAT ON LAST YEAR'S FINALS

Warton Tied at Home, Won N. H. L. Title on Stratford Ice.

WIARTON USED WEIGHT

Four-Man Attack in Third Period Failed to Notch Goals in Slushy Going.

WIARTON, March 15.—Warton Redmen and Stratford finished the first game of the Northern League finals tonight with a score of 2 to 2. The ice was covered with water and slush, causing considerable oversteering and kicking.

Throughout the first two periods the play was very evenly divided, but Stratford made their count in goals, getting one in each frame. In the final stanza, the Redmen played a four-man forward game, using their weight to advantage. Throughout the entire period they held the play in Stratford ice and scored two goals.

Pursuing the same tactics in Stratford for the next game Friday evening the Redmen should be able to win, as they have the advantage in weight, and are faster skaters. Ketterer, Berger and Morenz were most effective for Stratford, while Rock and Simmler played exceptionally fine for the Redmen.

The Ashley brothers each got one of the Warton goals. Last year the same teams met in the finals, and the first game here played under similar weather conditions ended in a tie. In the return game the Redmen defeated Stratford on their own ice, and their supporters are confident they can duplicate the performance.

W. H. Legg of London was referee, and his decisions were very unpopular with both teams.

QUERY A DAY

Why doesn't the infield fly apply with only first base occupied?

THE infield fly applies with first and second, or first, second and third occupied. The rule was so made to protect the base-runner from being doubled up, by having the fielder trip the ball.

With only first base occupied, and less than two out, there is no chance for a double play, if the batsman will run out his hit. He is supposed to do that, hence there is no reason for the infield fly to apply in such a case.

RUPTURE KILLS MORE THAN RAILROADS AND MINES

Statistics show that more people die from rupture than from all the railroads and mines accidents combined. Over eight thousand persons annually are laid away, the burial of which is being deferred. "Rupture," why? Because the unfortunate one has neglected his health. He had been merely taking care of the sign (swelling) of the affliction and paying no attention to the cause. What are you doing? Are you neglecting yourself by wearing a truss, applying ointment or whatever name you choose to call it? At best, the truss is only a makeshift—a false prop against a collapsing wall—and cannot be expected to do more than merely hold the weakened muscles of that which they need most—exercise.

But science has found a way, and all true sufferers in the land are invited to make a FREE test right in the privacy of their own homes. The PLAPAO method is unquestionably the most scientific, logical and successful self-treatment for rupture the world has ever known.

The PLAPAO PAD when adhering closely to the body, cannot possibly slip or shift out of place, therefore cannot chafe or pinch. Soft and pliable, it is applied comparatively inexpensively. To be used whilst you work and whilst you sleep. No straps, no buckles or springs attached. Learn how to close the hernial opening as nature intended so the rupture CANNOT come back. COAST CHAMPS ARE HUSKY-LOOKING LOT

Worked Out Yesterday at Arena and Impressed Railbirds in Practice Jaunt.

MANY OLD FACES

Mickey McKay of Chesley, Ernie Parkes of Kitchener and Vernon Lehman from Western Ontario.

TORONTO, March 15.—Although the Coast League has enjoyed the reputation in the East of being the old man's home of pro hockey, the new blood injected into the Pacific circuit this year has caused a switch in opinion, and especially the paper size-up of the Vancouver Millionaires, who landed here Tuesday in quest of the Stanley Cup.

The Coast team held a workout this morning at the arena and looked mighty good to the railbirds who were out to get a peep at the exercises.

Lon Marsh says:
"Here we are and rainin' to go." remarked Alf Skinner, the Toronto boy, as he dug up a husky 3-year-old son, and proceeded to get acquainted.

Alfie looked about a fair average crowd are a good husky bunch and outweigh the new N. H. L. champions of the Pacific. The Vancouver Millionaires, who landed here in their own league, and the smothered a good team when they roused Regina, the prairie pro champions, and the morning he found a quarter of Irish while the bottled cow sap was usually packed.

Still Laughing.
The Millionaires are laughing yet at the spill in the gay Regina.

"There were about 9,000 people and a brass band out to welcome them home after they beat us 2 to 1 in Vancouver," laughed Skinner. "We were on the same train, but we didn't even get a pleasant smile, and the crowd was all the more for it."

Anyhow, Lester Patrick has a mighty smart looking bunch along with him, and figures to hand the George O'Donoghue's newly-crowned champions a bigger surprise than "Happy" Smith, right in the morning he found a quarter of Irish while the bottled cow sap was usually packed.

Here they are:
GOAL—HUTCHINSON, who landed on the hockey map long before Bernia became Kitchener. Lehman might be a first class player, but he is still a canny old hand. What are you doing? Are you neglecting yourself by wearing a truss, applying ointment or whatever name you choose to call it? At best, the truss is only a makeshift—a false prop against a collapsing wall—and cannot be expected to do more than merely hold the weakened muscles of that which they need most—exercise.

DOUBLE-HEADER TO START OFF SEASON

G. T. R. Juniors Meet R. C. R.'s—Seniors Meet St. Andrews.

OPEN TO LONDON TEAMS

St. Thomas Soccer League Takes Action, Making It Practically Twin City League.

BY BILLY BISSETT.

Grand Trunk Senior and Grand Trunk Junior soccer teams will hold the double-header of opening the soccer season for London and District on Saturday afternoon. President Herbert Haggis of the Senior Grand Trunk has shipped one over the other to teams in this respect, and his diplomatic stroke is to be highly commended. Both fixtures will be pulled off on Carling Heights, with the Grand Trunk Juniors having as their opponents the R. C. R. Juniors. This will be the curtain raiser to the double-header taking place on Saturday with the kick-off at 2:30 p.m. Manager "Geordie" Garrow states that his young side is in prime condition. He will lead the R. C. R. which in itself shows a great spirit on the part of those three young players who could have read their reinstatement back again into junior circles, providing both the London and St. Thomas teams had been in the same position.

However, they cannot stick the young Wasp, and they cannot stick the young bloods composed of the following players will take the field for the Grand Trunk Juniors: Garrow, Shaw and Young; halves, McLeod, Newman and Malone; forwards, Sanders, Campbell, Smith, Payne and Smith. Referee Charles Stockley will hold and tout the whistle for this great action.

Soccer fans should attend these two games in large numbers, thereby giving the season a good send-off. St. Andrews, who are the first to be drawn will not be the last to be drawn. The London and District Football Association held a council meeting on Tuesday night at the East End Community Hall. Smallman and Ingram, who were the only two to be drawn, were the only two to be drawn.

Jack Day, the L. and D. F. A.'s secretary, who met with an accident recently, occupied the secretarial chair once more. President Charles Hollis presided.

The motion passed at last week's meeting deciding to elect a registration secretary, and it was decided to perfect a constitution and bylaws for the association, so that the London and District Football Association could be kept in touch with the latest laws and alterations coming from headquarters. A discussion on the motion of the London and District Football Association was held on Tuesday night at the East End Community Hall. GROH BACK

HERE IS HOW HEINE GROH LOOKS IN THE UNIFORM OF THE NEW YORK GIANTS.

Groh will be used at third base this season, Frankie Frisch, the Po-Wham Flash, who held down that position last year, will be shifted to second.

The directors extended thanks to Manager Thomas Hodgkinson for the sportsmanlike act in arranging for the Hamilton game for the purpose of paying off the I.O.U. held on the L. and D. F. A. The council also thanked the St. Thomas Soccer League for leaving their entries open to all teams, both in St. Thomas and London, coming to the city to enter as groupings of the L. and D. F. A. competition, suggesting that the first round be played in the various districts, and that the second round be drawn out of the hat. This allows more districts to enter in the first round, eliminates traveling long distances, will be held Tuesday, March 21.
