News From City Churches

B. S. C. CLASS.

The B. S. C. Class, of which Rev. F. W. K. Harris, director of religious education at St. Andrew's Church, is leader, held their opening meeting of the season last night. At the conclusion of a brief business meeting, the members went to the home of Miss Madeleine Grant, whose marriage takes place shortly, and surprised her with a number of useful gifts. Following this, Mrs. Grant entertained the girls for the evening most enjoyably. The new officers of the class assumed their positions last night for the first time. They are: Hostess, president, Rev. F. W. K. Harris, Mrs. J. W. Parkinson and Miss Ruth Stephenson; president, Miss Margaret Hutton; vice-president, Miss Marion Pettigrew; secretary-treasurer, Miss Connie Cuthbert; leaders of the three class groups, Miss Katherine McLennan, Miss Margaret Moule and Miss Mabel Thomas.

GIFT TO HOSPITAL.

Though only twelve in number, the Ever-Ready Bible Class of the Lambeth Methodist Church have made a most substantial presentation to the War Memorial Children's Hospital. By means of an autographed quilt, the members have raised the sum of \$102, and this has been devoted to the purchase of a dressing carriage for the hospital. The officers who engineered this successful feat are the following: Miss Violet Trotter, president; Miss Irene Jefferson, secretary; Miss Ethel M. Winter; and class teacher, Mrs. J. W. Woodhull.

PRESENTATION MADE.

Mrs. McLennan, former secretary of the W. M. S. of Chalmers Presbyterian Church, was honored last Friday by a number of her associates in the society when they met in the home of the minister, Rev. J. Richardson, and presented her with a lovely suede purse. Mrs. McLennan leaves today for Buffalo to take up her residence, and for this reason has been forced to sever her connection with Chalmers W. M. S. Mrs. George Bryce made the presentation and an address to Mrs. McLennan, in which the members expressed their regret at her departure, was read by James McLachlin.

MISSION BANDS.

Both Mission Bands, the King's Own and the Outlook, of St. Andrew's Presbyterian Church met at their regular meeting hour yesterday afternoon, and the members practiced for the annual Sunday school rally which is being held next Sunday. Plans were made by the Outlook band, the first of which they are holding at the home of Miss Perkins, Colborne street, shortly. The story-telling hour was conducted by Miss Curran.

FIRST INDOOR MEETING.

The first indoor meeting of the season was held last night by the Epworth League of Robinson Memorial Church. Miss E. M. Lacey was in charge of the meeting. The topic was given most instructively by Walter Shales, who spoke on "Ways of Serving." At the close of the meeting, a social hour was held, at which a delegate to the coming convention in St. Marys.

ILLUSTRATED LECTURE.

Conditions in China and Tibet will be the subject of an illustrated lecture to be given in the Talbot Street Baptist Church next Thursday evening by Rev. Frank Ridley of the China Inland Mission. Mr. Ridley, who has spent a number of years as a missionary, is passing through Canada on his return to China.

TEN ADDRESSES.

The Young People's Union of Talbot Street Baptist Church last night voted a request to their pastor, Rev. Dr. Bowley Green, to deliver a course of ten addresses on the subject of "Baptist Doctrine and Principles." A feature of the regular meeting was the "chalk talk" by Miss Rita Graham. There was a good attendance.

DUNDAS CENTER.

Miss Edna Dule, leader of the devotional committee, was in charge of the regular meeting of the Epworth League of Dundas Center Methodist Church last night. The topic was taken by Miss Hazel Cunningham, who gave an excellent report of the summer school. The Bible lesson was given by Miss Lacey. Between 35 and 40 were present.

"CITIZENSHIP."

Last night's regular meeting of the Epworth League of Empress Street Methodist Church was devoted to the topic of "Citizenship." The pastor, Rev. J. M. Chapman, gave the address on "Citizenship and the Gospel." The program included also a vocal solo by Mrs. E. Tuttle, and the Bible reading was given by Miss Lacey. The meeting was well attended.

SUCCESSFUL SALE OF WORK.

The sale of work held recently by the C. G. I. T. of Maitland Street Baptist Church was most successful; Mrs. T. Roe was general convenor, and the girls in charge of the various booths were as follows: The tea room, Misses Ruth Schussler, Rosemary and Alma Brown; the book table, Mrs. T. Sowerby and Mrs. W. Tack pouring; candy table, Misses Thelma Mantle, Lucy Thompson and Elaine Brown; home-cooking, Misses Marguerite Gilson, Lillian Franklin, and Thelma Heatherly; flower table, Mrs. T. Roe.

CLEVER COMEDIAN

SCORES AT GRAND

Gales of Laughter Greet Appearance of "Sliding Billy Watson."

SPLENDID COMPANY

"Sliding Billy Watson" and his "big fun show" slid into the affections of London theatre-goers at the Grand yesterday in a gale of laughter.

The fourth of the Columbia burlesque wheel attractions to be seen here this season proved to have all the meritorious features of its predecessors, and in addition a comedian of a type not previously seen here. "Sliding Billy Watson," as his name indicates, depends for much of his comedy effects upon the peculiar manner of his entrances and his progression around the stage. He doesn't walk, he slides, and he has been on the stage for many minutes the audience has come to the point where they watch for this antic and greet it with hearty laughter.

Cable Company.
Mr. Watson has surrounded himself with a capable company, particularly strong in its dancing features. Chatter and his blackface, with his nature, excel as eccentric steppers, their turn being one of the best of the kind seen here for a long time, and his monologues, with their touch of similar featured artists in any show. Frank Scoullie is also a capable dancer, while all the members of the company are of a high standard.

Miss De Verdier in the role of Theda Gumm, queen of the vamps, has a striking personality, wears beautiful gowns, and sings with the necessary spirit and verve. Miss Deaux is a graceful dancer and entertainer, her number being a musical specialty by Prince Rosucci, piano accompanist, is a particularly good number. Murray Bernard, tenor, has a voice of good range and quality and scored in his contributions.

Standard Maintained.
In the Sliding Billy Watson show the standard of the Columbia Amusement Company is well maintained. It has more comedy than most of its predecessors, in fact it is built on laughing lines. Moreover it is clean, clean, clean, and has already met with high favor. The costumes are new, fresh and pretty, while the scenic investments have been made with the attractions so far sent here by the Columbia Amusement Company have set a new standard for this class of entertainment.

The daily matinees for ladies are becoming exceptionally popular, yesterday's audience being the largest which has yet greeted one of the companies. It is by such attractions offered this season that the name of burlesque has been elevated to its proper place in the realm of amusement, presenting as it does a great contrast between the present magnificently costumed and clearly presented spectacles, literally musical revues, and the days of cotton tights, frankly broad comedy and entertainers of different quality. The Sliding Billy Watson company will continue its engagement today and Wednesday with two performances daily. It is a distinctly creditable production, well illustrating that the companies bearing the Columbia brand are in a class by themselves.

Calcium Wafers
Bring Beauty
How Stuart's Calcium Wafers Transform a Pimpled, Muddy Skin to Pinkish Loveliness.

It was certainly a most fortunate discovery when it was found that the necessary constituents of skin health is calcium sulphide.

About twenty-five years ago this important substance was incorporated in Stuart's Calcium Wafers and since then thousands of girls have enjoyed beautiful complexions.

This wonderful substance removes from the system the waste products that often get into the skin to cause pimples, blackheads, and other such complexion disfigurements. Then the calcium is a natural aid to skin repair and health.

You cannot get this wonderful result from cosmetics or drugs nor can you have a clear, beautiful complexion without this wonderful calcium. So when you are near a drug store ask for Stuart's Calcium Wafers and address to—A. Stuart Co., 334 Stuart Bldg., Marshall, Mich., for a free trial package.—Advt.

Cuticura Heals Rash on Back
Spread To Neck and Arms. Itched and Burned. Lasted 3 Months.

"My trouble began with a rash breaking out on my back. My clothing aggravated it, and it kept spreading to my neck and arms. It itched and burned so that I spent many a sleepless night. The trouble lasted about three months. I tried different remedies without success. I then read an advertisement for Cuticura Soap and Ointment and sent for a free sample which helped me. I bought more and in three weeks was healed." (Signed) M. Kramer, 566 Herd Ave., Buffalo, N. Y., Jan. 24, 1922.

Cuticura Soap to cleanse and purify. Cuticura Ointment to soothe and heal and Cuticura Talcum to powder and perfume are ideal for daily toilet purposes.

Colborne St. E. P.
The program last night at the regular meeting of the Colborne Street Epworth League was in charge of the citizenship committee. Rev. W. R. Millson, president of the London Conference, gave a most instructive address
