Sarnia, Nov. 18.—The Sarnia collegiate team defeated the fast London aggregation at the "sand lot" in the Imperial City on Saturday afternoon 27.—I in one of the best games witnessed by the Sarnia fans in years. Condition was the deciding factor of the game, and had the Forest City boys been able to stand the pace there might have been a different tale to tell at the end of the hour's play. The London boys started in after the kick-off and backed their opponents right up on the 10-yard line and had the edge of the play for the whole first quarter, The Sarnia back division got their end turns going in the second quarter, and from then on the London players did not have the pep which is required to run up a score. In the dying moments of play the team made a game rally, but it was too late to ring up a tally, and when the whistle blew the ball was down in Sarnia territory. a tally, and when the whistle blew the ball was down in Sarnia territory.

The whole London team is deserving of great praise for the fine fight they put up. Beard at flying wing was undoubtedly the best defence man in the game, and he broke through the Sarnia line time after time to pull down the ball-carrier. Westman and McCracken made some fine gains on plunges through the line. In the back division, Lawrence and Ardiel turned in a fine game. They caught faultlessly and made several sensational runs. It was a 40-yard run by Lawrence in the dying moments of the game which rallied the team and perhaps prevented the Sarnia team from adding to their score. Work Like Machine.

The Sarnia back division works with machine-like precision. They have speed to bum, pass the ball faultilassly and on the showing they made on Saturday should carry their team well on towards the Ontario title again. They all turned in a brilliant game, with Hays and Hanna getting in some very effective work. Garvey and Manore, Sarnia's two rangy outside wings, turned in a very effective game. They got down on the kicks and are deadly tacklers. The game was clean throughout, and Referee McCart did not hand out a single penalty during the whole play. The Sarnia team held a dance in the school gymnasium in the evening in honor of their visitors.

First Quarter.

London got the kickoff, and on an exchange of plays worked the ball down to Sarnia's ten-yard line, and Lawrence kicked over for a point. In a kicking duel Sarnia got the ball in London territory, and Hays kicked over to Ardiel, who was forced to rouge. London came back strong and carried the ball was not converted. At this stage the London team was tiring badly and it was necessary to use several subs. Sarnia still resorted to end runs, and Hanna went over for a try which was not converted. Even Up.

Before the period closed Galt evened when Goldie rouged Phippen, who had taken Kress's long punt. In the second period Galt bucked the length of the field, and within a foot of the visitors' line failed to go over. Karn, however, in trying to kick out, drove the ball against one of his men, and Galt rouged. The half-time score was 2 to 1.

Early in the third period Kress, trying for a field goal, kicked to the deadline, and the score at the end of the third period was 3 to 1.

In the final stanza another rouge was registered by Galt, who had changed their tactics, and instead of bucking played a kicking game. They had the best of the play, and on a perfectly-played onside kick, Gaskin, the Galt flying wing, on the run caught the greasy pigskin, and, with a 20-yard run, scored the only touch of the game, which Goldie converted. Galt was forcing the play when the whistle blew for time. point.
