International Leaders

PLANS SUBMITTED

Associated Press Despatch. London, July 21.—Premier Mac-onald this morning conferred for hours with Premier Herriot of Finance Minister De Stefani Italy, Premier Theunis of Belgium Ambassador Kellogg of the ited States regarding ways and eans of obtaining an agreement be-een the allies regarding the encement of the experts' plan. While the plenary delegates dis-ussed the broad phases of the Dawes an, the committee of experts coninued their efforts to reach ringing about the fiscal and eco-omic unity of Germany. It is beeved this will be realized by tonigh xcept for the question of railway ontrol, which remains a stumbling ck to the plans for the evacuation

### Awaiting Instructions

The experts presented the conflictranced by the British, French and Belgians, respectively, to committee number one of the conference and are awaiting fresh instructions how to proceed. The progress made by the group of experts studying the restoration of German unity indi-cates it will be possible to hold a denary session tomorrow.

The German government has com-

unicated to the British foreign fice its latest views on the Dawes eport and the question of German epresentation at the conference. The German representations will be pre ented at the next plenary session of

The French delegation appeared more doubtful today than the other conferees as to the time of this session, taking the view that it may e possible to hold it before Wed-

### French More Conciliatory

The French, it is indicated, are none too pleased over the possibility of losing control of all the railways to the Ruhr. They have adopted a view somewhat more conciliatory to-ward the British position that the ward the British position that the line should be returned to the authority of the interallied railway board, but they are still seeking ways to insure the maintenance of their own communications in any eventuality in the Ruhr.

The status of women in India had also been the cause of much unrest. The place of the Indian woman had been an obstacle of progress in the province enjoyed excellent showers Saturday and Sunday, which the Ruhr.

Many Problems Confronting This Great Country Outlined by Missionary.

NOT REVOLUTION

Rev. Principal Taylor Speaks At First Presbyterian in Morning Services.

The Reverend Principal Taylor, D. D., of Indore, India, spoke of the problems confronting India, at First Preshyterian Church on Sunday morning.

The minister brought out many enlightening facts concerning the present unrest of that great country. He spoke of the causes of the India trouble, but claimed that the present unrest was not revolution, but merely a feeling about for expression. It was an almost healthy who has been chosen as the "independent" vice-presidential candidate vice-presidential candidate ple for expansion, progress and de-

Dr. Taylor pointed out that India was a nation that had not governed themselves. They had never been a democratic people. The political movement launched by Great Britain was a good sign. It was another national experiment out of which much good might come. It was similar to what Canada enjoyed and under

Radical Changes.

This great political experiment, which might be called a diarchy, was one in which the government had control of a number of different divisions of national life. It had, how
