PHRENO-PHYSIOLOGY
Prof. Cavanagh, M.D., has made a specialty of the study of the mind and its connection with the brain. He has discovered the cause of many of the so-called 'nervous' diseases, and has devised a system of treatment which has cured many of the most obstinate cases of insanity, epilepsy, and other mental diseases. His system is based on the latest scientific discoveries, and is the only one of its kind in Canada.

PROF. CAVANAGH,

"GOLD MEDALLIST,"
