HERE FOR THE MAY MEETING

83 THOROUGHBREDS IN TORONTO AND VICINITY.

Pedigrees of the Lot—Their Owners and Trainers—Annual Meeting of the Royal Canadian Yacht Club—Important Meeting of the Racing Board—Baseball and General Gossip.

The Canadian racing season of 1893, which will begin with the Ontario Jockey Club meeting at Woodbine Park on May 23, promises to be a notable one.

There will be another track added to fill the breach between Toronto and Montreal. The new Hamilton track will follow with its meeting the week after the O.J.C., with Bel-Air immediately following, thus making practically three weeks' steady racing.

In addition, there will be more horses contesting than ever before, and more owners seeking glory and dollars, including many American turfmen. Altogether the game promises to be a merry one, and those with an earnest desire to enjoy an afternoon's outing and to separate their fellow-men and their fellow-men's money will have plenty of opportunity given them.

As Woodbine Park will be the first scene of action, the various candidates who will battle for honors are rapidly arriving and at present there are upwards of 80 horses in this neighborhood being prepared for the fray. The Seagram stable, located at the old Newmarket track in Danforth-avenue, heads the list with 16, all of which look remarkably well, and reflect great credit on Trainer Walker. Of course Martello, the Queen's Plate favorite, is the centre of attraction. The son of Cromaboo and Counterscarp shows great improvement over last year, having developed into a grand looking colt, and if looks go for anything, should win. At Woodbine Park Frank Owen has the largest string, numbering 11, the majority of which are jumpers. Charley Wise has several nice looking youngsters in his care, as well as the crack hunter Athol, and the clever looking plater Ber Hur. Of the junior division, the brother to Kingston is the most fancied, though Maid of Ellerslie has shown the best work. Johnny Graven has several good ones in Foam and Noisy, both winners last year, while Merrythought is a likely looking youngster. Of the other stables quartered at Woodbine, very favorable reports are heard and all the horses are doing well.

Just on the hill north of the track is the Gates establishment, which contains all jumpers, with the exception of Yon Yonson, a Queen's Plater, and Sam Wood, who may be put at the jumping business. At Leslieville is located the Wellington stable of English bred ones, and the London Platers in charge of Mike Gorman. There are also a number of horses stabled in the city that will sport silk at the May meeting.

A visit to Woodbine Park yesterday showed the track to be drying up nicely, and with a few days of sunshine it can be put in good condition. The following is a list of the horses in training:

Gossip of the Turf.

Sam Wood is being schooled over the jumps.

The idea of opening pool rooms at Fort Erie has been abandoned.

Insolence, by Glenelg, dam Impudence, died at Hawthorne Park last week.

Long Shot, Mr. Robert Bond's recent purchase, has been put in training again.

Barrister Arnoldi, it is said, will enter his Disturbance colt in the Queen's Plate.

The Canadian representatives entered at Washington to-day are: Logan, Bel Demonia, Frontenac and St. John.

Frank Van Ness, the owner of Morello, has been refused reinstatement by the American Trotting Association.

Blenheim, at one time a well-known racehorse and owned by the Dwyer Bros., is now used for a wagon horse and invariably objects.

C. J. Hamlin will attempt to break the world's team record this season, the team being made up from Belle Hamlin, Globe, Justina and Honest George.

J. A. and A. H. Morris' stable has been shipped to Washington from Elizabeth, with the exception of Wolsey, Clysmic and Aleppo, who will remain in Fred Littlefield's change.

Dobbins, the high-priced yearling belonging to Mr. Croker, will have to improve very much to win stake races, as Charter has beaten him whenever they worked together in all their trials.

The yearling produce of the Ellerslie stud will be sold under the hammer in the paddock of the Brooklyn Jockey Club track on May 10. They comprise the get of Eolus and Charaxus, and among the lot are a sister to Russell, brother to Charade, Charter and Ma Belle and a sister in blood to Hammie.

The Lexington correspondent of The Spirit of the Times says: The yearlings, property of Major B. G. Thomas, are the finest lot in my opinion that was ever bred in Dixiana. He has a full sister to the fast Correction, a brother to My Fellow, a brother to Wah Jim, a sister to Captain Brown and a number of half brothers and sisters to stake winners.

Samuel Kalisch, counsel for the New Jersey Jockey Club, has secured an order from Justice Vansickel of the Supreme Court at Trenton, N.J., requiring the Union County Law and Order League to show cause why the writs recently issued holding M. F. Dwyer and the other accused violators of the Gaming law to bail should not be set aside. The matter will be argued May 1. A writ of habeas corpus was also granted in the case of one of the bookmakers who is in the Union County Jail.

AMONG THE OARSMEN.

Rowing and Sculling at the World's Fair—Regattas Galore.

CHICAGO, April 22.—Chicago people are making great efforts to boom their World's Fair regatta. Fully 1500 amateur oarsmen will compete in the college event. Boat clubs from all parts of the world will be represented, and will send entries for single, double pairs, barge and eight-oared races. Already entries have been received from colleges in Australia, Europe, Canada and the Pacific Coast; also from the leading boat clubs. A number of gentlemen now in New York will shortly visit England to consult with Oxford and Cambridge.

The Executive Committee of the Iowa State Rowing Association have decided to hold their annual regatta for 1893 at Lake Geneva, Wis., in conjunction with the World's Fair regatta.

They Like Hanlan in Texas.

John Crotty, general manager of the regatta that is to take place at Austin, Texas, in June, is very anxious to have Hanlan at his aquatic carnival. Of the Toronto sculler he writes:

"Hanlan stands head and shoulders above all aquatic men in the South. He will experience no difficulty in making suitable arrangements after our regatta is over to row for the championship of America, if not here, at another point in the State, where they may wish to advertise their enterprise in a similar manner."

THE FOOTBALL FIELD.

New District Organized—Officers Elected and Schedule Adopted.

LISTOWEL, April 22.—At a meeting here last night the Marlboro Football District was organized and the W. F. A. rules adopted.

Gorrie, Brussels, Listowel and Mount Forest are the charter clubs. A schedule of four games for each eleven was adopted. The season lasts from May 6 to July 1.

The officers elected are: Hon. president, Joseph McMullen, M.P., Mount Forest; president, H. J. Morden, Brussels; secretary-treasurer, W. H. Climie, Listowel; executive committee, D. J. Lamont, Mount Forest; J. M. Kain, Gorrie; H. J. Marden, Brussels; W. H. Climie, Listowel.

THE GREEN DIAMOND.

Baseball in Montreal—Prospects Are Exceedingly Bright.

MONTREAL, April 22.—The prospects at present for baseball in Montreal are exceedingly bright, says The Herald. Never before have the enthusiasts spoken so much of a brilliant season. The meeting of the league will not take place until the first week in May, but nevertheless considerable talk has been already done.

Farnham will make application for membership to the league, but the club is not likely to be accepted. The Granites will apply for membership with two teams, and they are likely to be admitted. This club intends to be as near the top of the league as possible. The Hawthornes, last year's champions, will, with one exception, put the same team on the field as last year.

The other clubs express themselves as being stronger than ever, and claim that Montreal will have better and more baseball than ever the present season.

Trinity Shows Up Well Against the Dukes.

The Dukes and Trinity College played on Trinity grounds Saturday. The game was very interesting considering the condition of the grounds.

Hendershott, Blakely and Burke played well for the Dukes, while Blanchard, the old catcher of the Beavers, "Doc" Martin and Wadsworth did well for Trinity.

Larry Burke of the Hamilton Victors played centre field for the Dukes. Jack Earls made a timely two-bagger. Hendershott made three hits for that many times at bat. Benson and Young showed up well for the Dukes. Blakely and Chambers played their respective positions acceptably. Score:

		R.	H.	E.
Dukes	1 1 0 1 0 4 x	—7	8	6
Trinity	3 0 0 0 0 1 0	—4	10	3

Batteries—McGarry - Benson; Wadsworth-Blanchard. Umpire—Joseph Lyndon.

Opened in the Rain.

The Western Beavers opened the season in the rain on Saturday by defeating the Metropoles. Score:

Beavers	2 5 2 3 1 6 2 4 x	—25
Metropoles	0 0 1 0 2 0 0 1 1	— 5

Batteries—Benson-Jones; McHenry-Hall.

Baseball Brevities.

The Beavers want challenges, average age 16 years. Address George Wilson, 24 Camden-street.

The Crescents will hold a special meeting Tuesday night for the purpose of re-organization. Members are requested to attend.

Hutchison, the great Chicago pitcher, couldn't curve a ball until he was shown how two years ago by Pitcher Mike Sullivan.

Cornell's nine held Binghamton of the Eastern League down to two runs at Ithaca on Saturday, and yet were beaten, only scoring once themselves.

LACROSSE TALK.

Cornwall Expects To Be in Championship Form—Some Notes.

CORNWALL, April 22.—Cornwall's prospects for the coming season and her chances of winning the championship of the lacrosse world are the chief topic of conversation, and a grand revival of the old-time interest in the game is going on.

The Executive Committee elected at the annual meeting are mostly all enterprising young men, and great things are expected of them. As regards the team, it will certainly be stronger than last year's.

Hughes is the only man who is certain not to be fonnd in the Factory Town ranks, and his loss will be more than made up for by the acquisition of Turner and Murphy, both of whom were sadly missed last season. Murphy, who was forced to retire with a weak leg, has entirely recovered from his lameness, and will likely play the game of his life this year. Turner, who was blacklisted along with Barney Quinn last year, has left Ottawa, where he spent the winter, and is now visiting his parents in Paris, Ont. He is expected to return to Cornwall in a few days and will accept a good position here. Leacy, the great fielder, whom the Capitals have been gunning for for a couple of years, was in town yesterday. He says that Cornwall's chances are excellent and that if he plays lacrosse at all this summer it will be with his old comrades-in-arms of the Factory Town. The Capitals, strengthened by Leacy, Turner and Quinn, would be almost invincible; but with the former pair on the Cornwall team it will be anyone's battle, and if the "colts" play the game they give promise of Cornwall will surprise those who think that the star of the Factory Town is on the wane.

THE YACHT CLUB'S ANNUAL.

C. A. B. Brown the Vice and N. B. Dick the Rear Commodore.

Although not 100 members of the Royal Canadian Yacht Club were present at the annual meeting held last Saturday night at the town club house, yet the capacity of the reading room was so severely taxed that most of those present wished that an up-town hall had been secured for the occasion.

Commodore Boswell occupied the chair, while Mr. Foote, assistant secretary of the club, acted as secretary in the absence of Mr. Harman, who is ill.

After the usual preliminary business of reading the minutes and reports, the amendments to the club's bylaws, of which notice had been given, came up.

Mr. Arnoldi's motion that flag officers should own substantial interests in the yachts on which they qualify, was lost.

Mr. Dick's resolution to the effect that the age for junior members be raised from 21 years to 24 was carried.

The annual report, particulars of which have already appeared in these columns, was next presented, and then the election of officers began.

The only offices contested were Vice-Commodore and Rear Commodore. Mr. A. Gooderham, who had been proposed for the former office withdrew and left the contest to Messrs. Jarvis and Brown. These being both post nominations required under the constitution a two-thirds vote, and Mr. Brown although he secured a majority failed to get the required number. Mr. Jarvis then generously withdrew. Mr. Dick was the successful candidate for rear-commodore, his opponent Mr. Gray having ineffectually tried to withdraw his name beforehand. While the scrutineers were counting the votes several songs were sung, and Mr. McMurrich proposed that a committee composed of the commodore, Messrs. Brown, Baker, Wedd, Wyatt and McMurrich, be appointed to form a glee club. The motion was unanimously carried.

After singing God Save the Queen the meeting adjourned. The officers for the ensuing year are: Commodore, A. R. Boswell, re-elected by acclamation; vice-commodore, C. A. B. Brown; rear-commodore, N. B. Dick; hon. secretary, S. Bruce Harman, re-elected by acclamation; committee of management, G. D. Boulton, F. J. Campbell, H. D. Ellis, George E. Evans, Frank M. Gray, Æ. Jarvis, Robert Myles, W. H. Parsons, W. C. Thomson, M. de S. Wedd.

C.W.A. Racing Board Meets.

The first meeting of the new Canadian Wheelmen's Association Racing Board was held in the Yonge-street Arcade Saturday evening, President R. A. Robertson of Hamilton in the chair. There were present besides Messrs. J. P. Langley, Athenæum; F. J. Brimer, Wanderers, and W. A. Hunter, president C.W.A.

It was decided to alter the class rule so that the time made in a novice or preliminary heat of any race should not go as a record against the rider; also that a quarter-mile championship event be added to the C.W.A. list. So this year there will be five championship races as follows: Quarter, half, mile, 3 miles and 5 miles. Official timers will also be appointed by the Racing Board, and it shall be their duty to attend each authorized meet and take careful records and report to the Racing Board Chairman.

In future meets must be sanctioned by the board, and application for such sanction must be accompanied by a surveyor's certificate. The old team lap-race will be abandoned, as it was found impracticable to properly place the men, and in future positions will only be taken at the finish. In starting all future races the foremost part of the wheel will be placed even with the tape of the same part of the machine. Championship medals must be worth between $25 and $50 inclusive.

The Local Board Track.

At a meeting of the City Track Committee the proposition of Proprietor Smith of the Don grounds was favorably received. An adjournment was made until next Friday, when the matter will be finally adjusted. Local 'cyclists favor a board track partly in the recommendation of ex-President Hill of Kingston, who stated that the track at the Limestone City cost only $600 and it would last five or six years.

C.K.C.'s Business Meeting.

The following is the business to come before the meeting of the Canadian Kennel Club here on May 3:

Sporting Miscellany.

A meeting of the Riverdale Cricket Club takes place this evening in the rooms, Queen and Berkeley-streets.

The Crescent City Athletic Club of New Orleans offers $5000 for Billy Smith and one-half of that sum for Griffin and Van Hees.

The Scots have secured the Baseball Grounds for practice on Tuesday and Thursday evenings. They will practice this week at 6.30 p.m. on both days.

HAVE YOU MICROBES

If you have, then it is a microbe-killer you want to use and not experimental poisonous drug medicines. To poison microbes with strychnine, opium, morphine, belladonna, chloral, digitalis, mercury, ergot and many other active poisons which could be mentioned means also the poisoning of the healthy functions of the body, and so the breaking down their strength and energy. Poison medication is bound to do this. On the other hand, in using the

Microbe Killer

you obtain the tonic properties of one of the most revivifying and exhilarating agents ever brought before mankind, one that is based upon natural laws, and is in fact the only true

NATURAL ANTIDOTE

by which disease can be conquered, the cause thereof (microbes) radically destroyed, and no harm, but only good, can result to the body in its entirety. Investigate.
