The 40 yards run was the closest race of the day, and had a finish that made the big crowd rise out of their seats, and they cheered loyally when Jack Morrow of the Cronto A.C. was announced the winner, with a different of Montreal second. Pernaps 2 inches behind him.

The 12th Annual Games of the Amateur Athletic Association of Canada and the second.

The twelfth annual championship meeting of the Amateur Athletic Association of Canada took place Saturday afternoon at Rosedale in perfect weather. There were three thousand people present and they evidently thoroughly enjoyed the contest, all remaining to the close. There was considerable disappointment over the nonappearance of Tommy Canneff, the record runner; Stephen Chase, the hurdaler and jumper, and Sweeney, the phenomenal high jumper of the New York Athletic Club. But there was easily sufficient athletes present to furnish the most interesting games ever held in Canda. With such a constellation present it was thought some new American records would be made, but they were only approached, and the best throw being 113 feet 3 inches. The officials of their seats, and they cheered loyally winer by 20 yards, leaving the close trace of the day, and had a finish that made the best throw the most interesting games ever held in Canda. With such a constellation in the lead, wilkins, the pluce. On the last last, Orton fell back about the milde of the race, evidently not being in shaped on the present to furnish the most interesting games ever held in Canda. 100 yards run, first heat—The men were sent away sharp to a bad start, Humphrey getting away first, Smith second, McCarry third and Bradley last a yard and a half the worst of it. The Englishmen, however, who easily with Humphrey second and Smith third. Time 10 2-5 secs.

In the second heat Morrow was put back a yard for trying to get away too early. This was fortunate for Lee, the New York man, who won by inches; Stevenson third. Time 10 3-5 secs.

The final for the 100 yards race resulted in a win for Bradley over Tomy Lee, the N. Y. Club representative. Humphrey of Moncton, N.B., was put back a yard, and Morrow of the Toronto Athletic Club 2 yards, for getting over the line before the pistol was fired. It was generally thought that the starter dealth with these contest-ants rather harshly, and thus Humphrey and Morrow, of course, had little chance in the sprint. Time 10 1-5 secs.

Lyons set the pace in the 880 yards run. Kilipatrick followed him one round, with Grant, the Varisty man next, and then Gifford of Montreal. Smith of the High-index was laboring in last place. Lyons dropped out on the bell lap and Gilford passed Grant and made Kilipatrick go at a lively rate. It was a great race to the tape. Kilpatrick just managing to go over the scratch a foot in front of the Canadian. Grant finished a poor third. Time 1.54 3-5. This beats the Canadian record by 2 3-5 sec.

In the running high jump only four competitors appeared. The cracks from the N.Y. Athletic Club, Chase, Baitazzi and Sweeney, not appearing. Farley and Gill were out at 5 feet 5 inches. Then Williams gave an exhibition, clearing the bar at 5 feet 5 inches, which height Gill cleared, winning third place.

In putting the 16-lb. shot. George R. Gray had a pretty easy thing of it, winning at 43 feet 9½ inches, with its brother Joe Gray of Orillia second at 41 feet 10 inches, and Duncan French of the Beaverton Bicycle Club third with 41 feet 1 linch. The other cont

South Africa mining shares has for some time menaced the financial situation in Europe, and the marked reactionary tendency and uneasy feeling in London have had their effect here. Before the close London sold stocks here, this action fudicating a belief that Monday mav bring further declines in Kaffl.s, and that before next fortnightly settlement, which is due on the 12th, there is apt to be trouble. A higher money market is looked for London sold the international securities. Potter & Co. were heavy sellers of Tobacco stock. Sugar and Chicago Gas were also heavy.
