A. BROWN & CO.

"THE STORE OF QUALITY"

CONGREGATIONAL CHURCH

HAS GOOD YEAR

The annual meeting of the Congregational Church was held on Thursday evening, Jan. 20th, when a good crowd gathered to hear the reports of the past year's work. The happy company first took their places around the well spread supper tables and enjoyed the bountiful repast prepared by the ladies of the church under the leadership of Mrs. J. D. Brown and Mrs. A. Harrower. Following the supper the pastor, the Rev. T. DeCourcy Rayner, took the chair and after a hymn and prayer, called upon the officers to present their reports.

These indicated that 1920 was the most successful year in the church's history. The Church secretary's report, presented by Miss Stella Craig, showed that the church had made good progress. Eighteen new members had been added to the roll during the year, making a total of twenty-five new members received since May 1919.

The Church treasurer, D. Duncan, reported receipts for the year of \$1235.00 and a balance of \$126.00 after all accounts had been paid. He also reported \$96.50 raised for

missions.

The Forward Movement Treasurer Mr. Joseph McCormick reported that all pledges due had been paid, the total for the year being \$380.00.

The Sunday School report was presented by Miss Gladys Lamb, the secretary, and showed an increased attendance for the year, while the receipts amounted to \$95.00 for the general fund and \$20. for Missions.

The Ladies' Aid and Women's Missionary report, prepared by the secretary, Mrs. Hattie Brown, was presented by the president, Mrs. T. DeC. Rayner. This showed that good work had been accomplished, while receipts for the Ladies' Aid totalled \$27.00 and for the Women's Missionary \$32.00, also that in addition to this a bale valued at \$36.00 was sent to the Mission at Chisamba, West Central Africa.

The Y.P.S.C.E. reported through its president, Miss Maude Marwick, a membership of 26, with good attendances at the weekly meetings. \$57.00 had been raised, also \$25.00 for Missions. During the year the Society had presented a beautiful Individual Communion Service to the church.

The pastor called attention to the fact that the Y.P.S.C.E. had also

conducted a Sunday evening service each month and had rendered valuable service to the Church.

Votes of thanks were enthusiastically given to the pastor, the church officials and to S. W. Louks, the Sunday School Superintendent.

Each organization reported a balance on the right side in the treasury, and receipts from all sources totalled for local expenses \$1414.00 and for Missions and Forward Movement \$590.00, making a grand total of 2004.00 in all departments.

The prospects for 1921 are even brighter than last year. A new organization to promote regular attendance at Church on the part of the boys and girls has been formed. The Young Worshipper's League. This has a membership of 32 and is still growing.

\$300.00 CASH PRIZE CONTEST

Three hundred dollars in cash is being offered as a prize to the one who guesses nearest to the correct figures of trade of the United States with Canada for February. See the offer made by "MY CANADA," on page 5. "MY CANADA" is soon to be issued week by week as Canada's National Weekly, to provide a Canadian "Post" for Canadians, for Canada, and the Empire.

GOOD HEALTH AND GOOD SPIRITS

Depend Upon the Condition of the Blood—Keep it Rich, Red and Pure.

When a doctor tells you that you are anaemic, he simply means, in plain English, that your blood is weak and watery. But this condition is one that may easily pass into a hopeless decline if prompt steps are not taken to enrich the blood. Poor blood, weak, watery blood is the cause of headaches and backaches, loss of appetite, poor digestion, rheumatism, neuralgia, nervous irritability and many other troubles. To poor blood is due the pimples and blotches, the muddy complexion that disfigures so many faces. To have good health, a good complexion and cheerful manner, the blood must be kept rich, red, and pure. This is easily done through the use of a blood enriching tonic like Dr. Williams' Pink Pills. The whole mission of this medicine is to help enrich the blood which reaches every nerve and every organ in the body, bringing with it health, strength and new activity. That is why people who occasionally use Dr. Williams' Pink Pills always feel bright, active and strong.

Mrs. E. E. Cook, Simcoe, Ont., gives strong testimony to the value of Dr. Williams' Pink Pills when the blood is in an anaemic condition, she says: "I have been a sufferer for some years from a run down condition of the system. I suffered from pains in the back, twitching of the nerves and muscles, my appetite was poor, I had indigestion and would get drowsy after eating. My hands and feet were almost always cold, and though I was constantly doctoring, the medicine I took did not help me. I had practically given up hope of good health, until a friend from Hamilton came to visit me, and urged me to try Dr. Williams' Pink Pills. It took some persuasion, but finally I consented to try them. I have reason to be grateful that I did for after using seven boxes I felt like a new person. I have gained in weight, have a better color and my work is now a pleasure. For this condition my thanks are due Dr. Williams' Pink Pills, and I cannot praise them too highly."

You can get Dr. Williams' Pink Pills through any dealer in medicine or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.
