

ON THE  
Philosophy of Marriage and the Secret In-  
fluences of Youth and Maturity.  
With fifty Coloured Engravings on Steel,  
in a Sealed Envelope, price 2s 6d sterling.

**SELF-PRESERVATION:** an Analytic  
and Investigation of the Physiology  
and Functions of Marriage, in all the bea-  
ings in which that important subject affects  
the health and happiness of man, with its  
disqualifications, and impediments, tracing  
its origin to the effects of juvenile soli-  
tary habits, youthful excess, tropical climates,  
or close study; followed by practical re-  
marks, founded on twenty years experience  
in the treatment of impotence, ner-  
vous debility, local weakness, spermator-  
rhoea, syphilis, and all diseases of the urinary  
and generative system. Illustrated by  
fifty Coloured Engravings on the anatomy  
of the reproductive organs and their re-  
lative conditions in health and disease. By  
SAMUEL L'AMBERT, M. D., No. 37,  
Bedford-square, London, Doctor of Medi-  
cine, Matriculated Member of the Univer-  
sity of Edinburgh, Honorary Member of the  
London Hospital Medical Society, Licen-  
tiate of Apothecaries' Hall, London, &c.

The essential object of this treatise is to  
point out, the fearful consequences result-  
ing from certain habits, irregularities and  
excesses, which have produced more mis-  
ery in youth, degradation in manhood, and  
premature decay at all stages of life, than  
perhaps, any other class of disease known  
to modern pathologists. Its perusal is par-  
ticularly recommended to persons entertain-  
ing secret doubts of their physical condi-  
tions, and who are conscious of having haz-  
arded the health, happiness and privileges  
to which every human being is entitled.—  
The contents embrace the origin, effects,  
prevention and treatment of the deplorable  
catalogue of maladies connected with ner-  
vous debility, exhaustion of the vital ener-  
gies, prostration of mental and physical ca-  
pacity local and general weakness, acute  
and chronic spermatorrhoea, and their en-  
dless modifications. The treatment adopted  
is founded on experience gained in the most  
celebrated schools of medicine, and by the  
most eminent practitioners, both in Great  
Britain and in Continental Europe. Every  
relation relating to the physiology, pa-  
thology and general treatment of the disor-  
ders incidental to the generative system is  
clearly explained, and the means of im-  
mediate relief and ultimate cure described in  
detail. The professional reputation of Dr.  
L'Amber, who has taken the most distin-  
guished medical and academic honours, at  
home and abroad, is in itself a sufficient  
guarantee that those who may place them-  
selves under his care will, in every instance  
meet with that delicate consideration and  
invaluable secrecy which are so requisite in  
the treatment of these cases.

THE LIFE AND TIMES OF THE LATE  
**Duke of Wellington;**

By Lieut. Col. Williams; (a Companion of  
Arms, of His Grace.)  
Comprising the Campaigns and Battle-  
fields of Wellington and his Comrades,  
the Political Life of the Duke and his  
Contemporaries, and a detailed account  
of England's Battles by Sea and Land,  
from the commencement of the Great  
French Revolution to the present time,  
interspersed with Anecdotes Personal  
Incidents, and Adventures, &c.

**ADDRESS.**  
The earthly career of Arthur Duke  
Wellington has closed; one of the greatest  
men of the nineteenth century, the fore-  
most military commander of any age has  
paid the debt of nature. The time has not  
arrived for giving to the world a History  
of the Great Captain—of the Events of his  
Life and Time—a life marked by patriotism,  
prowess and honour, and events the greatest  
which have ever agitated the civilized  
world, and whose influence will be felt  
upon society till the end of time. Such a  
work must appeal to the best and proudest  
feelings in the heart of every Briton—the  
glory of his country, the honour of its name  
and position among the nations—may his  
own existence as a freeman, as recorded  
and engraven in the annals of the "well-  
fought fields," and "The deadly imminent  
breaches, the immortal battles and the glo-  
rious sieges in which Wellington and his  
Companions in arms gathered unfading lau-  
rels, placed their country's honour and  
renown on the highest pinnacle of fame and  
glory, and tore the victor's wreath from the  
brows of heroes decorated with the trophies  
of Italy, Egypt, and Germany.

To supply such a desideratum in Eng-  
lish literature, the publishers of *The Life  
and Times of the Duke of Wellington* have  
determined to produce a book which shall  
present to the reader, not only the dry  
details which a mere biographical sketch  
would afford, but a comprehensive work,  
embracing the contemporaneous history of  
the period, exhibiting the circumstances  
which brought about the great events in  
which the Duke and his contemporaries  
were engaged, and giving to the reader a  
connected narrative of the lives and actions  
of the Warriors and Statesmen of the nine-  
teenth century; and this from the pen of  
one who was a companion in arms of the  
great hero, and participated with him in  
many a well-fought field.

In order to carry out their views, the Pub-  
lishers have determined that the work shall  
be profusely illustrated by Portraits of the  
Warriors and Statesmen of the last half  
century who have shed a lustre upon the  
history of their country; also representa-  
tions of the most important engagements by  
sea and land from the period of 1780 till  
1832; so that the work, when finished, shall  
form an Illustrated Gallery of the Naval and  
Military Exploits of England.

It has been well said, "Character is the  
true strength of nations; true glory their  
best inheritance. When the time shall  
come that the British heart no longer thrill  
at the names of Cressy, Poitiers, Agin-  
court, Blenheim, Ramillies, Oudenard,  
Malplaque; of Talavera, Salamanca, Tou-  
ouse, Waterloo,—the last hour of the  
British Empire will be struck." The pro-  
motion and elevation of national spirit and  
feeling is therefore the duty and interest  
of every true and loyal son of England.  
May Heaven inspire the hearts of every  
one of us with that spirit and feeling.

Conditions of Publication.—The work  
will be issued on the 1st and 15th of every  
month, in Parts at 1s. 3d. and Divisions  
handsomely bound at 9s. 4d. printed on Im-  
perial 8vo. double columns, each Part will  
be embellished by two highly finished steel  
Engravings, and will contain 32 pages of  
letter press. A beautiful steel Engraving  
13 by 19 inches, the storming of Seringapat-  
am, the first victory in which the late Duke  
of Wellington was engaged in India, to  
every subscriber to the work.

### HEALTH RESTORED!!

### HOLLOWAY'S PILLS.

Surprising Cure of a confirmed Asthma,  
after five years' suffering.

The following testimonial has been sent to  
Professor Holloway, by a Gentleman  
named Middleton, of Scotland-road, Li-  
verpool.

SIR,—Your Pills have been the  
means, under Providence, of restoring me  
to sound health, after five years of severe  
affliction. During the whole of that period  
I suffered the most dreadful attacks of  
Asthma, frequently of several weeks dura-  
tion, attended with a violent cough, and  
continual spitting of phlegm intermixed  
with blood. This so shook my constitu-  
tion that I was unfitted for any of the active  
duties of life. I was attended by some of  
the most eminent medical men of this town,  
but they failed to give me the slightest  
relief. As a last remedy I tried your Pills,  
and in about three months they effected a  
perfect cure of the disease, totally eradica-  
ted the cough, and restored tone and  
vigour to the chest and digestive organs.—  
I am, Sir, your obedient servant,  
(Signed) H. MIDDLETON.  
Dated Jan. 1st, 1853.

A Permanent Cure of a Diseased Liver  
of many years duration.  
Copy of a letter from Mr. Gamis, Chemist,  
Yeovil, to Professor Holloway.

Dear Sir,—In this district your Pills  
command a more extensive sale than any  
other proprietary medicine before the public.  
As a proof of their efficacy in Liver  
and Bilious Complaints I may mention the  
following case. A lady of this town with  
whom I am personally acquainted, for years  
was a severe sufferer from disease of the  
Liver and digestive organs; her medical  
attendant assured her that he could do  
nothing to relieve her sufferings, and it was  
not likely she could survive many months.  
This announcement naturally caused great  
alarm among her friends and relations, and  
they induced her to make a trial of your  
Pills, which so improved her general health  
that she was induced to continue them un-  
til she received a perfect cure. This is  
twelve months ago, and she has not experi-  
enced any symptoms of relapse, and often  
declares that your Pills have been the  
means of saving her life.  
I remain, dear Sir, yours truly,  
(Signed) J. GAMIS.

An astonishing Cure of Chronic Rheuma-  
tism, after being discharged from the  
Hospital incurable.

Copy of a Letter from Mr. W. Moon, of  
the Square, Winchester.  
To Professor Holloway.

SIR,—I beg to inform you that for  
years I was a sufferer from Chronic Rheu-  
matism, and was often laid up for weeks  
tried every thing that was recommended,  
and was attended by one of the most emi-  
nent surgeons in this town; but obtained  
no relief whatever, and fearing that my  
health would be entirely broken up, I was  
induced to go into our County Hospital,  
where I had the best medical treatment the  
Institution afforded, all of which proved of  
no avail, and I came out no better than I  
went in. I was then advised to try your  
Pills, and by persevering with them was  
perfectly cured, and enabled to resume my  
occupation, and although a considerable  
period has elapsed, I have felt no return  
whatever of the complaint.

I am, Sir, your obliged servant,  
(Signed) W. MOON

An extraordinary Cure of Dropsy, after  
suffering for eighteen months.

Copy of a letter from Mr. G. Briggs, Chem-  
ist, Goole, dated February 15th, 1853.  
To Professor Holloway.

SIR,—I have much pleasure in in-  
forming you of a most surprising cure of  
Dropsy recently effected by your valuable  
medicines. Captain Jackson of this place  
was afflicted with Dropsy for upwards of  
eighteen months, to such an extent that it  
swollen his body and limbs to be much  
swollen, and water oozed as it were from  
his skin, so that a daily change of apparel  
became necessary, notwithstanding the  
various remedies tried, and the different  
medical men consulted, all was of no avail  
until he commenced using your Pills, by  
which, and a strict attention to the printed  
directions, he was effectually cured, and  
his health perfectly reestablished. If you

deem this worthy of publicity, you are at  
liberty to use it.  
I am, Sir, yours respectfully,  
(Signed) G. BRIGGS.

efficacious in the following complaints.
