### GOOD COUGH MEDICINE FOR CHILDREN AND GROWN FOLKS TOO

"We could hardly do without Chamberlain's Cough Remedy," says Mrs. Flora Despain, of Boyd, Ky. "I found it to be so good for the croup and have used it for years. I can heartily recommend it for coughs, colds and croup in children and grown folks too." The above shows the implicit confidence that many mothers place in Chamberlain's Cough Remedy, a confidence based on many years' experience in the use of it. No one need hesitate to use this remedy for it contains no chloroform or opium or other narcotics and may be given to a child as confidently as to an adult. For sale by W. A. WARREN, BRIDGETOWN, A. E. ATLEE, ANNAPOLIS ROYAL, and BEAR RIVER DRUG STORE.

### A BUCKET OF WATER

A single bucket of water—even a cupful—thrown on a blaze at its start often does more good than a reservoir full ten minutes later. And yet in not one out of a thousand American homes is a single bucket of water dedicated to fire protection. The only excuses for this negligence are ignorance, carelessness, total disregard of property and life. Poverty may explain the absence of structural protection, but no one who has a home is too poor to afford a bucket of water. Even 25 cents spent for fire pails will measurably increase for years the safety of a house and that of its inmates. And the only attention this very effective fire apparatus will need is an occasional refilling from the pump or tap.

The virtue of the bucket of water kept exclusively for fire purposes is that it is always there when you look for it and always full of water. There is, to be sure, lots of water around the house (except when the pipe or pump has frozen), but by the time one can find a bucket, take it to the tap or pump, wait for it to fill and then take it back to the fire not one bucket but ten are needed. If, however, you can dash into the hall, seize a ready filled bucket and souse the blazing curtain, all within twenty seconds one bucket generally will be more than enough, as good as a whole fire department and far less destructive than its superfluity of water.

The family that cares anything at all for its belongings should keep at least one bucket of water on a little bracket in the hall on each floor and another bucket in the garret. Down cellar there should be a barrel of water and a bucket not far from the furnace. The water in the garret cellar may be kept from freezing in cold weather by adding common salt.

—Exchange.

### SIGNALS OF DISTRESS

Canadian People Should Know How to Rea' and Heed Them

Sick kidneys give many signals of distress. The secretions are dark, contain sediment. Passages are frequent, scanty, painful. Bacheche is constant day and night. Headaches and dizzy spells are frequent. The weakened kidneys need quick help. Don't delay! Use a special kidney remedy.

Booth's Kidney Pills cure sick kidneys, backache, and urinary disorders. Middleton evidence proves this statement: R. T. Saunders, of Bridge St., Middleton, N. S., says: "After suffering some months with a large and sore back, retention of urine and frequent headaches and having tried several remedies, I procured Booth's Kidney Pills. I had scarcely used one box when the pains and lameness in my back had left me and it led strengthened wonderfully. The kidney secretions have also become normal and regular headaches have not troubled me since. Any person suffering from weak back and bladder trouble will be agreeably surprised after a fair trial of Booth's Kidney Pills which I am pleased to recommend. Booth's Kidney Pills may be procured at S. N. Wear's Drug Store. Sold by dealers price 50 cents. The R. T. Booth Co., Limited, Fort Erie, Ont., Sole Canadian Agents.
