

IN preparing this little work I have had assistance from a number of friends to whom my thanks are due, but I wish especially to refer to Capt. E. D. Cameron, Superintendent of the Grand River Reserve; Mr. James Bain, Librarian Toronto Public Library; Chief Josiah Hill, Sakokaryes, and Mr. William Reep, Kenwendeshon, Interpreter, as an acknowledgment of the courtesy which I have received from them and the trouble which they have taken to aid me in procuring information.

E. M. CHADWICK.
