## SPECIAL NOTICE.

The Editor of this Journal has assumed control of the Canadian Department of the *Poultry Monthly* published at Albany, N. Y., and beginning with the April issue, this Department appeared under his charge. The *Monthly* is without doubt the best poultry journal published in the United States, and its Canadian Dept't will be made a leading feature. We bespeak for it the support of our readers, and a glance at our business columns will show that we have been able to make very favorable terms for those who wish to take two or more of the journals with which we are connected. To those who wish to try the advertising columns of the *Monthly*, we can offer more favorable terms on yearly contracts than have yet been given, especially to those who are regular patrons of the REVIEW. Write us for terms on any size space.
