out into the business houses of our country is producing a strong corps of representatives, helpful alike to the College and to the commercial development of our nation.

Not a Few Teachers

have doubled their salaries within a two-year limit by taking part in this march. There are splendid opportunities in business life for people like our Public School teachers. To-day we have telegram from Arrowhead Lumber Co., Arrowhead, B. C., for young man, book-keeper, at initial salary of \$1,000. This is but a sample.

FALL TERM from Sept. 5, will give many a student a good start. Try it this year. Write for particulars and catalogue to.
