THE GAZETTE is now Published by
 the Montreal Printing and Publishing Company,
 and no expense is spared to make it what it claims to
 be—"The Journal of the Dominion of Canada."
 It contains all the latest news by mail and telegraph
 It contains more reading matter than any other
 daily paper in the Dominion.
 It contains correspondence from all parts of the
 world.
 Read what other papers think about it. The Quebec
 News says—
The Montreal Gazette.—Our cotemporary comes to
 us clothed in a new dress, and in a complete change
 of typographical appearance. The proprietorship has
 lately been merged into a joint-stock company, though
 Messrs. Lowe & Chamberlin remain the leading
 spirits of the enterprise. It is now, as it has been
 all along one of the ablest conducted sheets in the
 Province, and is, without exception, the only newspa-
 per in the proper sense of the term, that we can boast
 of. Its typographical appearance is really beautiful,
 and the very large quantity of reading matter it con-
 tains will make it most acceptable to its patrons. We
 doubt, however, if Montreal has sufficiently advanced
 in wealth and intelligence to make such an enterprise
 a success. We have been anxious to try the experi-
 ment all along but found it wouldn't pay. We wish
 our cotemporary every prosperity, and hope it is the
 beginning of a new era in journalism in the Dominion.
 The London Evening Advertiser is very nearly as
 complimentary, thus noticing *The Gazette* in its new
 form:—
 The Montreal Gazette appears in an entirely new
 dress, and is, we think, the handsomest sheet in the
 Dominion of Canada. As the type is small, though
 sharp and distinct, a very large amount of reading
 matter is given in each issue. Picard types are
 eschewed, the advertisements being set up in a neat,
 compressed style. The typography of the paper has a
 thoroughly English appearance. We have often
 thought of adopting a stringent rule with regard to
 the hand-bill advertisements which disfigure news-
 papers, and probably shall do so ere long. Where all
 announcements are displayed in black letter, what ad-
 vantage has one merchant over another? Where all
 the advertisements are neatly and compressedly dis-
 played, no person can complain, and the advertise-
 ments are certain to be more widely read. The Ga-
 zette is about the size of the *Evening Advertiser*,
 which is another proof—if proof were needed—that a
 superfluity of waste paper is no indication of influence
 or status. The Gazette is published under the auspices
 of a joint-stock company, numbering among its mem-
 bers leading capitalists, literary men, heads of the me-
 chanical departments, etc. The Gazette has long
 been the leading paper of Montreal, and under the
 present arrangements will take a first place among the
 press of the Dominion. We wish our cotemporary
 every success, and we hope its enterprise may prove
 abundantly remunerative.

The Dundas Courier wishes success to the new en-
 terprise in the following handsome terms:—
Montreal Gazette.—Quite a transformation has late-
 ly taken place in the appearance and general conduct
 of this well-known journal. In the first place, the
 hand-bill form of displaying advertisements is entirely
 discarded, and the old country style adopted, of con-
 densing them in the smallest space, and, at the same
 time, so classifying them that they are much easier
 found out. By this means more room is given for
 general reading matter. In the second place, it is
 published on the co operative system, under the name
 of the "Montreal Printing and Publishing Company."
 The company comprises the firms of Lowe & Cham-
 berlin, Longmore & Co., together with "assistant
 editors, reporters, the heads of the printing and press
 departments, a number of literary men and a few
 friends." By this combination the Gazette must be-
 come a power in the new Dominion, and will, in all
 probability, prove to be in Canada what the Times is
 in England, the leader of public opinion. In addition
 to all these advantages, the price has been reduced to
 a penny, and arrangements are to be such that the pa-
 per can be had at all the principal points in the Do-
 minion. To mail subscribers, the advance price of the
 Daily has been reduced to \$5. The Gazette has always,
 in dealing with public questions, taken a higher tone
 than most other leading journals in the Province, and
 we doubt not that under the new order of things no
 falling off in this respect need be feared. We wish
 the new enterprise the greatest possible measure of
 success.

These are only a few of the notices which have ap-
 peared in the papers all over the British Provinces,
 but may be taken as a sample of the others.
 Registered letters at the risk of the Publishers.
 All business communications to be addressed to the
 Secretary of the Montreal Printing and Publishing
 Company, Montreal.
 All newspapers copying this advertisement for three
 months will be furnished with the *Daily Gazette* for
 the same time as an exchange, on receipt of the paper
 containing the notice.
