

Rev. Canon Gilpin, D. D., was elected Secretary; H. Pryor, Esq., D. C. L., Assistant Secretary, and Col. Myers, Treasurer for the ensuing year.

The Bishop submitted the following proposal from the S. P. G.: "Resolved, that the sum of £2,850 per annum as a Block grant for Nova Scotia and Cape Breton be placed at the disposal of the Bishop and the D. C. S. for three years from January 1st, 1866; they undertaking as heretofore all the Society's pecuniary responsibilities during the period."

A statement was submitted shewing that the sum granted by the S. P. G. fell short of the required amount by about £75 stg.

It was resolved unanimously that the offer of the S. P. G. be accepted, and that the D. C. S. pledge themselves to make up the sum of £75 stg.: required to fulfil the obligations of the S. P. G. to this Diocese.

The Executive Committee were requested to make efforts to increase the funds of the D. C. S. so as to meet this demand, either by inducing each Subscriber to increase his subscription, or by a special annual sermon and collection in each parish.

The Secretary of the Church Endowment Fund informed the Meeting that nearly \$60,000 had been received.

A Resolution was passed justifying the course adopted by the W. and O. Committee relative to a pension to the child of Rev. J. Woods, and at the same time requesting the Committee to pay, under the peculiar circumstances of the case, the usual pension to the orphan child.

A Resolution was passed expressive of regret at the death of L. Hart-horne, Esq., who had been for many years Treasurer of the Society, and of sympathy with his family and friends under the loss they have sustained.

**THE LATE ARCHDEACON.**—It is with feelings of gratitude that we record the munificent bequest of the late Archdeacon Willis, of \$1200 to the Church, to be equally divided between the Fund for Widows and Orphans, the Fund for Superannuated Clergy and the general purposes of the D. C. Society. These proofs of his heartfelt interest in the welfare of our Church will be duly appreciated by all its members, and will endear his memory still more if that were possible, to those who in times past have been the recipients or witnesses of his genuine kindness and unaffected liberality.

**TO SUBSCRIBERS.**—We find that if all those who continue to receive numbers of the Church Chronicle were to pay in their Subscriptions we should be able to enlarge it to 24 pages, which would enable us to vary its contents so as to suit the different classes of subscribers, and thus make it more generally interesting. At present little more than one-third of those on our lists have paid their subscriptions. We trust that after this notice our receipts will be such as to authorize us to add eight pages to our number for November.

**CALENDAR OF KING'S COLLEGE.**—We have received from the Secretary a copy of the Calendar of King's College, Windsor, for 1865, and have much pleasure in commending it to the notice of our readers. It contains a detailed account of the course of instruction pursued, the expenses, scholarships and incentives to study, together with a list of the members of the University from its foundation. We learn from the Report of the Governors that the Historical Prize given by Dr. Akins for the best Essay on the County of Hants has been divided between two of the competitors, "Benjamin Smith, Esq. of Douglas, County of Hants, an old and valued friend of the Church and College, and Mr. Cox, of Falmouth, at present pursuing his studies at the University." The County of Colchester will form the subject of the prize for 1866.
