Scientific and Useful.

SILVER CAKE.—Whites of six eggs; two and a-half cups of flour; white sugar, one cup; one-half cup of butter; one cup of cream; baking powder, two teaspoonfuls; bake in a deep pan.

Consumption Surely Cured.

TO THE EDITOR.—Please inform your readers that I have a positive remedy for the above named disease. By its timely use thousands of hopeless cases have been permanently cured. I shall be glad to send two bottles of my remedy FREE to any of your readers who have consumption if they will send me their Express and P. O. address. Respectfully, DR. T. A. SLOCUM, Branch Office, 37 Yonge Street, Toronto.

An excellent way of cooking eggs is to break them in boiling milk without beating; cook slowly, stirring now and then. When done soft pour into a dish and add a little pepper, salt and butter.

STARTLING YET TRUE.—In the midst of the great political battle now raging so fiercely throughout our fair Dominion, it is certainly a startling fact that no amount of politics to the square foot will prevent the suffering caused by general debility or nervous and blood diseases, now so common among us. It is true though that these ailments and many others, especially those common to the female sex, can be cured by the use of a new and cheap device just introduced into Canada by the Oriental Medicated Electric Belt Company. This consists of an electric belt, so simple in its construction, that it can be worn at all times without the slightest inconvenience, and so cheap that it is brought within the reach of all. The company's headquarters are at No 3 King Street West, Toronto, where they invite inspection of their electrical appliances, and give the best of references.

To remove stains from a white cloth get a package of chloride of lime from your druggist or grocer. Dissolve a small quantity in lukewarm water; then strain it into a tub with hot water. Be sure there are no specks of the lime, for they will eat the goods. When ready, put in your garment, and every few minutes raise it to the air.

WIND THE CLOCK.—The best clock needs regulating and winding when the main spring runs down. So, too, when the human machinery gives out, it needs regulating and the main spring (pure blood) needs toning. Burdock Blood Bitters will regulate and tone all broken down conditions of the system. In purchasing B. B. B beware of counterfeits.

APPLE PUDDING.—An apple pudding can be made by dipping eight thick slices of stale bread in cold water, buttering them, lining the sides of a buttered two-quart dish with the bread, filling the dish with sliced apples, sprinkling a cupful of sugar, one teaspoonful of ground cinnamon and a half a cupful of water into the dish, covering the dish with a large plate, and baking in a very moderate oven for three hours. Let it cool for half an hour; then turn out on a warm dish, and serve with sugar and cream.

JAMES PYLE'S PEARLINE is considered the best Washing Compound of the day by all who once give it a trial. It cleanses the most delicate fabric without marring it. Sold by all grocers.

THE TURKEY'S FAREWELL.—Put the remains of a roast turkey into a stew kettle, cover with boiling water; and let it cook till the meat remaining on the bones slips off easily. Lift the bones out with a skimmer, leaving the water in the kettle, and scrape them with what patience you possess, and you will be surprised at the amount that will be found. Return the meat to the kettle with the remainder of the stuffing and the gravy, boil up once and pour over nicely-toasted slices of home-made bread laid in a well-heated platter.

WARM GINGERBREAD.—One cupful each of sugar, molasses, butter and "loppered" (or curdled) milk or cream, four and a half cupfuls of flour, one teaspoonful of soda, sifted twice with the flour, one tablespoonful of ginger, one teaspoonful of mixed mace and cinnamon, three eggs; beat together molasses, sugar, butter and spices until they are very light; put in the milk, beaten eggs and finally flour. Stir vigorously for five minutes and bake in a "card." Break instead of cutting it.
