

CHICAGO MARKET.

Wheat Quiet But Steady.

CABLES IRREGULAR BUT INCLINED TO STRENGTH.

Corn and Provisions Dull and Lower.

Wheat has had a very narrow range. The opening was weak, it sold down to 61½. This decline was caused by the liberal receipts, but this is largely offset by good shipments. December closed at a gain of one eighth of a cent, and May at one half cent.

Corn and Provisions were neglected, on very light trading the former declined one eighth, Pork .05 cents and Lard 2½ cents per hundred lbs.

The clearances of wheat for September were 11,790,000 bushels; Corn, 8,891,000 bushels; wheat and flour all ports, 15,206,000 bushels.

MONTREAL STOCK MARKET.

(Continued from page 1.)

WAR EAGLE.

Eagle was neglected but the small sales made were at strong prices. The friends of the stock are more confident than ever in its future. Their shipments of ore last week were large, and its quality was good. Should a general weakness prevail in the market this stock may weaken but such declines should be watched and taken advantage of to buy on.

In Canadian Pacific the sellers were Oswald, Barlow, Meredith, Riddell, Burnett, Wilson & G. Hansons & Ferguson, Davies & Co.

Brokers are becoming rather puzzled as to the future of the market. Some of them would welcome lower prices as chances for a more active market would improve. There are no doubt many orders booked to buy stocks at prices one two points from the market. A great many operators are tied up with Canadian Pacific and some other stocks which have been held for some time. About one thousand ordinary and one thousand War Eagle sold this afternoon at prices slightly higher than those of the morning board.
