

United States and Canadian Trade.

Statistics illustrating the growth of trade relations between the United States and Canada have been transmitted to the Senate by the Secretary of the Treasury. The statistics, which have been prepared by both the United States and Canadian authorities, cover a period of seventy three years, from 1821 to 1893, inclusive. The figures given show, among other things, that the exports of merchandise in 1821 from the United States to Canada amounted to \$2,014,529, and the imports from that country to the United States to \$414,500. In 1893, on the other hand, the exports amounted to \$24,138,482, and the imports to \$22,108,916. The total of exports for the seventy three years covered by the statistics was \$1,468,159,324, and the total of the imports amounted to \$1,299,957,798.

Two disastrous fires occurred at St. John, N.B., on June 3. The first broke out in the fifth story of the Merritt building, occupied by C. W. Parker, druggist, and H. A. McCuough, dry goods and carpets. It extended round the corner to the wholesale warehouse of Manchester, Robertson & Allison, and Skinner, Leblanc & Co. These buildings were completely wrecked, and the building occupied by A. Miller & Co. and Mattison Bros. were somewhat damaged. The total loss on stock and buildings will be over \$250,000; insurance, \$123,000. While the firemen were at work a second alarm was sounded for a fire in Hamilton's mill, which was totally destroyed; loss \$30,000. The insurance expired three days ago.
