Curator of Museum,	Wm. Wright, M.D.

Montreal General Hospital, visited daily at Noon.

University Lying-in Hospital open to the Students of the Midwifery Class.

In each of the Courses above specified, five lectures per week are given, except in the Courses of Clinical Medicine, and of Medical Jurisprudence, in the former of which two, and in the latter three only, during the week, are given. The Lecturers in the different departments, will illustrate their respective subjects, by the aid of preparations, plates, apparatus, specimens, etc. etc.

The Medical Library, which is furnished not only with books of reference, but the usual elementary works, will be open to matriculated students, without charge, under the necessary regulations. Access to the Museum will be allowed at certain hours. The Demonstrator of Anatomy will be daily in the Dissecting Rooms to oversee and Direct the students.

N. B.—The tickets of this University being recognized by the Universities and Colleges of Great Britain, students who purpose completing their professional education in the mother country, will obtain an important advantage by having attended its Courses.

SUMMER SESSION.

The Summer Courses will commence on the second Monday of May, 1849.
