

Doctor, Just a Moment!

There are to-day on the market a large number of so-called Emulsions of Cod Liver Oil, all of them being claimed to be **the best**. Physicians are aware of the fact that Pure Cod Liver Oil is one of the most nourishing, health-giving, and fat-producing medicinal agents known to pharmacology, so that the preparation which is so thoroughly emulsified that neither heat nor cold will cause any separation of the oil globules, and at the same time be palatable to and easily digested by the patient, is **the one** which the physician in the best interests of his patients will prescribe.

... THIS ONE IS ...

Slocum's Emulsion of Cod Liver Oil
