that He  
hath promised us,  
EVEN ETERNAL LIFE."**

1 John ii. 25.

### GOSPEL AND SONG SERVICE.

**L**AST Sunday evening our Room was crowded. One encouraging feature of this meeting is the fact that fully three-fourths of those who attend are young people. Glancing over the audience, the eye rests upon row after row of benches occupied entirely by young men and lads, ranging from 14 to 24 years of age, and the great mass of these are unconverted. This meeting is one of the most important held in our Rooms, and we ask the prayers of Christian friends that our speakers may come to their appointment full of the Spirit, and that souls may be won for Christ.

### NOON-DAY PRAYER MEETING.

**W**E are pleased to note a marked improvement in the attendance at this meeting. Since the ministers of the city have so heartily entered into this part of our work, we have had many precious seasons together, and we are looking for a yet larger attendance, and much spiritual profit.

There are two Young Men's Christian Associations in successful operation on the island of Madagascar.

### YOUNG MEN'S MEETING.

**T**HIS meeting has also increased in attendance; yet there is room for many more. Come in with us, young man. We give you a cordial invitation, and assure you a hearty welcome.

### BIBLE CLASSES.

**I**NCREASED interest is being manifested in the Bible classes. Vice-Chancellor Blake's class for teachers, is so largely attended, that at times it is difficult to provide comfortable seating room.

The Sunday afternoon class, conducted by Mr. Briggs, is a time of much blessing and spiritual power.

The Monday evening class led by the Ass.-Sec., has also greatly revived.

### NOTES FOR BIBLE STUDY.

**W**E cheerfully commend to our members and friends this valuable aid to Bible Study. The subscription price is only 36 cents per year, and certainly the notes upon the International Lessons alone are worth more than that amount each month to a Sabbath school teacher.

### REV. E. P. HAMMOND.

**T**HE work of grace in Peterboro' has surpassed the most sanguine expectations of those who were instrumental in inviting Mr. Hammond to that town. Not only have the largest churches been crowded night after night, but at the close of each meeting many anxious ones have remained to be conversed with, as to their eternal interests. One
