

SILVER MEDAL PRESENTED BY SIR HECTOR LANGEVIN TO THE OTTAWA BRANCH OF THE VILLE MARIE CONVENTUAL SCHOOL.

THE LANGEVIN MEDAL.

The closing exercises of the scholastic year at the Convent Congregation de Notre-Dame at Ottawa, a branch house of Ville-Marie, took place on the 27th June. Among the various

prizes presented was a silver medal, the gift of Sir Hector Langevin, Minister of Public Works. It was won by Mlle Emma Labrosse of St. Eugène, Co. Prescott, who stood second excellence in general proficiency and observance of school rules. The medal, of which we give the coun-

terfeit in this issue, was struck under the reign of Louis XIV of France, to celebrate his return to Paris, and to commemorate the restoring of the church of Ste. Geneviève du Pantheon to religion worship. The medal was selected with characteristic taste by the donor, who close it

among numerous others struck at the Paris Mint and the gift will be taken as a sign of Sir Hector Langevin's interest in and desire to encourage education. Our illustration is from a photograph by Topley of Ottawa, to whom we acknowledge our obligations.
