Commercial Summary.

The stock of the Paton Manufacturing Com-
pany, Sherbrooke, has been increased by \$200,-
000.

Those who dropped their money in the Chi-
cago lard deal may feelingly say their fortunes
have grown "Small by de grease and beauti-
fully less."

A MOVEMENT is on foot for the purchase of a
suitable site in Point Levis for the erection of a
new and commodious depot for the Intercol-
onial Railway.

APPLICATION is being made for the incorpora-
tion by letters patent of the Yarmouth, N.S.,
Duck and Yarn Company, with a capital of
\$150,000.

The ratepayers of Picton, Ont., have rejected
a by-law to provide a steam fire engine and
build water tanks, etc., in the town, by a vote
of 60 for and 87 against.

The Longueuil Cotton Manufacturing and
Bleaching Company are applying for letters
patent. The applicants are chiefly residents of
Montreal, which is to be the chief place of busi-
ness, and the capital is \$250,000.

The receiver for McGeoch, Everingham &
Co., Chicago, declares the liabilities of the
firm will exceed \$6,000,000. As the actual
state of affairs becomes known the lard failure
assumes a more serious aspect.

Advices from St. John, N.B., report a con-
tinued upward tendency in deal freights, and
in consequence there has been a slight increase
in the offering of tonnage. The supply as yet,
however, hardly equals the demand.

Work has been commenced on the addition
to the Ontario Cotton Mills, in Hamilton, and
will be pushed forward as rapidly as possible to
have it ready for the reception of the new ma-
chinery, to be purchased in England and the
United States.

The Canada Cutlery Co., with head-quar-
ters at St. Henri and this city, and a capital of
\$40,000, are applying for incorporation. The
promoters are Messrs. John Watson, G. S.
Pelton, A. A. Trevithick and K. Blackwell, of
Montreal, and Ed. Blaydes, of Sheffield.
