FEDERAL PROSECUTION.—The Few York World is pained to hear that the Secretary of the Interior is charged with improper speculation and malfeasance in office, and that there is a strong likelihood that a general change in the chief officers of the department will be necessary, including the heads of the Patent and Pension Offices will take place.

The Title and Table of Contents suggests the character of this work, which the Rev. Author designates in the following Dedication: "This Treatise on the Sacred Infancy of our Most Dear and Blessed Redeemer, is laid with the most Tender Devotion, the most Humble Confidence, and the most Reverential Worship, at the Feet of Saint Joseph, the Spouse of Mary, and the Great Foster-Father of our Lord."

GROWTH IN HOLINESS; or, The Progress of the Spiritual Life. THE BLESSED SACRAMENT; or, The Works and Ways of God. ALL FOR JESUS; or, The Easy Ways of Divine Love.

Universally esteemed as the Most Popular Devotional Works Published during the present Century. One of the most eloquent and distinguished clergymen in the United States, in writing an Introduction to one of Father Faber's Works, says: "We turn to this last work of the Rev. Dr. Faber with sentiments of gratitude to heaven, and hope for its abundant blessing on the teachings of such a guide, which our most earnest language would but faintly express. If the power to conceive and convey to others the sublime, and at the same time, the most practical truths that can interest the human mind, be a title to the homage of men, then has Father Faber established for himself a claim, which no length of years nor change of circumstances can efface. Few writers since the days of St. Francis de Sales, have made more Christian hearts bow in loving adoration before our tabernacles than the author of 'All for Jesus,' 'The Blessed Sacrament,' 'Growth in Holiness,' &c."

Ayer's Pills

Are particularly adapted to derangement of the digestive apparatus, and diseases arising from impurity of the blood. A large part of all the complaints that afflict mankind originate in one of these, and consequently these Pills are found to cure many varieties of disease.

As a FAMILY PHYSIC. From Dr. E. W. Carter, of New Orleans. "Your Pills are the price of purity. Their excellent qualities surpass any cathartic we possess. They are mild, but very certain and effectual in their action on the bowels, which makes them invaluable to us in the daily treatment of disease."

FOR JAUNDICE AND ALL LIVER COMPLAINTS. From Dr. Theodore Bell, of New York City. "Not only are your Pills admirably adapted to their purpose as a purgative, but I find their beneficial effect upon the Liver very marked indeed. They have in my practice proved more effectual for the cure of bilious complaints than any one remedy I can mention. I sincerely rejoice that we have at length a purgative which is worthy the confidence of the profession and the people."

DYSPEPSIA—INDIGESTION. From Dr. Henry J. Knox, of St. Louis. "The Pills you were kind enough to send me have been all used in my practice, and have satisfied me that they are truly an extraordinary medicine. So peculiarly are they adapted to the diseases of the human system, that they seem to work upon them alone. I have cured some cases of dyspepsia and indigestion with them, which had resisted the other remedies we commonly use. Indeed I have experienced wonderful results in effecting a cure in almost all the complaints for which you recommend them."

DYSENTERY—DIARRHŒA—RELAX. From Dr. J. G. Green, of Chicago. "Your Pills have had a long trial in my practice, and I hold them in esteem as one of the best aperients I have ever found. Their salutary effect upon the Liver makes them an excellent remedy, when given in small doses, for bilious dyspepsia and diarrhœa. Their sugar-coating makes them very acceptable and convenient for the use of women and children."

INTERNAL OBSTRUCTION—WORMS—SUPPRESSION. From Mrs. E. Stuart, who writes as a Physician and Midwife in Boston. "I find one or two large doses of your PILLS, taken at the proper time, are excellent promoters of the natural secretion when wholly or partially suppressed, and also very effectual to cleanse the stomach and expel worms. They are so much the best physic we have that I recommend no other to my patients."

CONSTIPATION—CONSTIVENESS. From Dr. J. P. Young, Montreal, Canada. "Too much cannot be said of your PILLS for the cure of constipation. If I do not find their beneficial effect as efficacious as I have, they should join me in proclaiming them for the benefit of the multitudes who suffer from that complaint, which, although led through in itself, is the precursor of others that are serious and often continue to irritate in the liver, but your PILLS effect that organ and cure the disease."

IMPURITIES OF THE BLOOD—SCROFULA—ERYSIPELAS—SALT RHEUM—TETTER—TUMORS—RHEUMATISM—GOIT—NEURALGIA. From Dr. E. H. Hall, Philadelphia. "As you were right, Doctor, in saying that your PILLS purify the blood, I do not doubt, I have used them in my practice, and agree with your statements of their efficacy. They stimulate the excretories, and carry off the impurities that stagnate in the blood, engendering disease. They stimulate the organs of digestion, and infuse vitality and vigor into the system."

"Such remedies as you prepare are a national benefit, and you deserve great credit for them."

FOR HEADACHE—SICK HEADACHE—POUL STOMACH—PILES—DROPSY—PLETHORA—PARALYSIS—FRIS—&c. From Dr. Edward Ross, Baltimore.

"DEAR DR. AYER, I cannot answer you what complaints I have cured with your PILLS better than to say all that we ever treat with a purgative medicine. I place great dependence on an effectual cathartic in my daily conflict with disease, and believe it to do that which no other medicine we have, I do of course value them highly."

"Most of the Pills in market contain Mercury, which, although a valuable remedy in skillful hands, is dangerous in a public pill, from the dreadful consequences that frequently follow its incautious use. These contain no mercury or mineral substance whatever."

Ayer's Cherry Pectoral

Has long been manufactured by a practical chemist, and every ounce of it is under his own eye, with inviolable accuracy and care. It is safe and protected by law from counterfeits, and consequently can be relied on as genuine, without adulteration. It supplies the surest remedy the world has ever known for the cure of all pulmonary complaints: for COUGHS, COLDS, BRONCHITIS, ASTHMA, CHRONIC WHOOPING COUGH, BRONCHITIS, PLEURISY, CONSUMPTION, and for the relief of consumptive patients in advanced stages of the disease. As time makes these facts wider and better known, this medicine has gradually become the best reliance of the afflicted, from the last stages of the American pleurisy to the infant of Europe, and is now the most valuable remedy in every state and city, and indeed almost every household it contains. CHERRY PECTORAL is known as the best of all remedies for diseases of the throat and lungs. In many foreign countries it is extensively used by their most intelligent physicians. If there is any dependence on what non of physicians, if there is any dependence on them, if we can trust our own senses when we see the dangerous affections of the lungs yield to it: if we can depend on the assistance of intelligent physicians, whose business it is to know in what, if there is any reliance upon any thing, then it is indubitably proven that this medicine does cure the class of diseases it is designed for, beyond any and all other remedies known to mankind. Nothing but its intrinsic virtues, and the unmistakable benefit conferred on thousands of sufferers, could protect it by law from counterfeits and imitations. While many inferior remedies have been thrust upon the community, have failed, and been discarded, this has gained friends by every trial, conferred benefits on the afflicted that can never be forgotten, and produced cures too numerous and remarkable to be forgotten.

ARCHBISHOP KENRICK'S THEOLOGY, Complete in 5 vols. 8vo. Reduced in Price from \$16 to \$10.

Now Ready, in 2 Vols. 8vo. Roman, \$4; Half Calf, \$1

THEOLOGIA MORALIS, quæ continet Franciscus Patricius Kenrick, Archiepiscopus Baltimorensis, Secundus Cursus Auctoris.

We are happy in being able to announce, that we are now ready to furnish the complete body of MORAL THEOLOGY, prepared by our Most Reverend Archbishop. The second edition from the press of Mr. H. Dessain, Malines, is comprised in two volumes. It contains the matter of the former edition, which was in three volumes, and is considerably improved and enlarged. Constant reference is made to the laws and usages of our country, which must necessarily direct and modify the application of moral principles laid down by European divines. The relations of master and servant, which are scarcely touched on in foreign treatises, are here developed and defined. The various contracts in use among us are explained, and the respective obligations of the parties are discussed. In many other matters of practice, direction is afforded to the Missionary and Confessor, which is particularly adapted to local circumstances, inasmuch as the general discipline of the Church is mitigated by special concessions, or preventing custom.

Recently published, Uniform with the above, 2 Vols. 8vo. Roman, \$6; Half Calf, \$9.

THEOLOGIA DOGMATICA, quæ continet Franciscus Patricius Kenrick, Archiepiscopus Baltimorensis, Secundus Cursus Auctoris.

The first edition of the Theologia Dogmatica being exhausted, a revised edition has been published, in the famous establishment of Ranee, (now Mr. Dessain), at Malines, Belgium, in conjunction with Messrs. Murphy & Co. The whole work, formerly consisting of four volumes, is now reduced to three, although considerable additions have been made to it; including an Elaborate Defence of the Dogma of the Immaculate Conception, and a Catalogue of the Fathers, and Ecclesiastical Writers, with an accurate discrimination of their genuine works, from others that have passed under their names. This work appears under the special sanction of the Cardinal Archbishop of Malines, who has been pleased to signify a very high estimate of its merits. It is issued in a very neat style, in three volumes, of about 500 pages double column, 8vo., at the very low price of \$2 per volume. This edition, though much enlarged, is reduced to \$6 instead of \$10—a little more than half the price of the former edition, so as to place it within the reach of Theological Seminaries, Students, &c., to whom a liberal discount will be made when purchased in quantities.

Early orders respectfully solicited. MURPHY & CO., Publishers, Baltimore.
