Mercantile Summary.

THE tailoring and clothing stock of Brodwick & Son, amounting to \$1,300, was sold in St. Thomas on Tuesday last.

THE annual meeting of the shareholders of the Laurentide Pulp Company was held on the 15th inst., in Montreal. The statement showed a net profit for the year of \$296,361, or more than 18 per cent. on the stock.

MESSRS. Ganong Bros., Limited, St. Stephen, N.B., are contemplating the establishment of a branch chocolate and confectionery factory in Toronto. Perhaps if Mr. Ganong come up, he would find there were several such concerns here already.

NORTH Hastings county mining men have formed a committee for the purpose of bringing before the Ontario and Dominion governments the advisability of offering a bounty on refined arsenic. There are many large deposits of arsenic around Madoc, in that county, but much capital is needed for putting this on the market.

THE Windsor Plaster Co., of Windsor, N.S., are enlarging their plant and have ordered a 100 horse-power boiler and engine from the Robb Engineering Co., Amherst. The same company, last named, has received an order from the Copp-Clark Co., Toronto, for a 40 horse-power engine.

THE general stock of Sunel & Lifter, Cumberland, B.C., has been sold, under power of a chattel mortgage, to S. Leiser & Co., realizing 70 per cent. The assets amounted to \$2,500, and liabilities are about \$3,800. Outside creditors will not get a dividend.—Last January Robert Moore succeeded Mrs. Latremouille in the Queen's Hotel, at Kamloops, B.C. Already the sheriff is in possession of the hostelry, and he will be sold out.

THE Toronto Junction council has accepted the offer of the Humber Light and Power Co. to supply 100 arc lights of 2,000 candle-power, to be run the same number of hours as the lights now in the city of Toronto, and every night, for \$60 per light per annum, lamps to be the latest improved standard alternating arc light. The company agrees to purchase the town's plant, payment to be made in annual instalments.

THE Physicians' and Surgeons' Supply Association, Limited, was incorporated nearly a year ago, in this city, with an authorized capital of \$100,000 of which \$15,000 was subscribed, and a first call of ten per cent. made thereon. Evidently it was realized at an early date that the concern would not be a success, and an application has been made to the courts for a winding-up order, with E. R. C. Clarkson interim liquidator.—James A. Berridge, painter, etc., in Toronto, is offering creditors 25 per cent. of their claims. He owes \$1,000, but now claims that he has no assets, although less than one year ago he represented that he had a surplus of \$1,850. This is now represented in a house and lot owned by his wife.
