The reduction of internal revenue and the taking off of revenue stamps from Proprietary Medicines, no doubt has largely benefited the consumers, as well as relieving the burden of home manufacturers. Especially is this the case with Green's August Flower and Boschee's German Syrup, as the reduction of thirty-six cents per dozen, has been added to increase the size of the bottles containing these remedies, thereby giving one-fifth more medicine in the 75 cent size. The August Flower for Dyspepsia and Liver Complaint, and the German Syrup for Cough and Lung troubles, have perhaps the largest sale of any medicines in the world. The advantage of increased size of the bottles will be greatly appreciated by the sick and afflicted, in every town and village in civilized countries. Sample bottles for 10 cents remain the same size. 44-1Y

A Common Cold

Is often the beginning of serious affections of the Throat, Bronchial Tubes, and Lungs. Therefore, the importance of early and effective treatment cannot be overestimated. Ayer's Cherry Pectoral may always be relied upon for the speedy cure of a Cold or Cough.

Last January I was attacked with a severe Cold, which, by neglect and frequent exposures, became worse, finally settling on my lungs. A terrible cough soon followed, accompanied by pains in the chest, from which I suffered intensely. After trying various remedies, without obtaining relief, I commenced taking Ayer's Cherry Pectoral, and was

Speedily Cured.

I am satisfied that this remedy saved my life. — Jno. Webster, Pawtucket, R. I. I contracted a severe cold, which suddenly developed into Pneumonia, presenting dangerous and obstinate symptoms. My physician at once ordered the use of Ayer's Cherry Pectoral. His instructions were followed, and the result was a rapid and permanent cure. — H. E. Simpson, Rogers Prairie, Texas.

Two years ago I suffered from a severe Cold which settled on my Lungs. I consulted various physicians, and took the medicines they prescribed, but received only temporary relief. A friend induced me to try Ayer's Cherry Pectoral. After taking two bottles of this medicine I was cured. Since then I have given the Pectoral to my children, and consider it

The Best Remedy

for Colds, Coughs, and all Throat and Lung diseases, ever used in my family. — Robert Vanderpool, Meadville, Pa.

Some time ago I took a slight Cold, which, being neglected, grew worse, and settled on my lungs. I had a hacking cough, and was very weak. Those who knew me best considered my life to be in great danger. I continued to suffer until I commenced using Ayer's Cherry Pectoral. Less than one bottle of this valuable medicine cured me, and I feel that I owe the preservation of my life to its curative powers. — Mrs. Ann Lockwood, Akron, New York.

Ayer's Cherry Pectoral is considered, here, the one great remedy for all diseases of the throat and lungs, and is more in demand than any other medicine of its class. — J. F. Roberts, Magnolia, Ark.
