

As Others See Us.

"It is surprising the number of Col- lege men who, by their own efforts, get on the sale of Kipling's 'The number of copies of Kipling's 'The pro- gress and in the probably keep a larger number of the other various schools than which they are superior of the goods, through their legitimate lines put to manager, among supplies and the excep- tion for their great popularity among the student body."

has the endorsement of all thinking men. G. W. Wright, Professor of Physics and Chemistry, Meadville High School, Meadville Pa., gives the following endorsement "We have been users of your Shredded Wheat Biscuit for some time and are greatly pleased with its many estimable qualities; it has an undeniably great food value, it possesses those 'staying qualities' that are so often lacking in the popular cereal foods."
