

PART I: GENERAL

I. DEFINITIONS

"Inspector" means an individual designated by the Director-General of the Secretariat according to the procedures as set out in Part I, Section II of this Verification Annex, to carry out an inspection in accordance with the Convention and this Annex.

"Inspection assistant" means an individual designated by the Director-General of the Secretariat as set out in Part I, Section II of this Annex to assist inspectors in an inspection (e.g. medical, security, administration, interpreters).

"Inspection Team" means the group of inspectors and inspection assistants assigned by the Director-General of the Secretariat to conduct a particular inspection.

"Inspected State Party" means the State Party to the Convention on whose territory or in any place under its jurisdiction or control an inspection pursuant to the Convention, and its annexes takes place, or the State Party to the Convention whose facility on the territory of a host State is subject to such an inspection.

"Inspection Site" means any area or facility at which the inspection is carried out and which is specifically defined in the respective facility agreement or inspection mandate or request expanded by the alternative or final perimeter.

"Perimeter" in case of a challenge inspection means the external boundary of the inspection site, either defined by geographic coordinates or by description on a map.

"Requested Perimeter" means the inspection site perimeter as specified in the inspection request; it shall conform to the requirements of paragraph 3 of Part VIII, Section II.A.

"Alternative Perimeter" means the inspection site perimeter as specified, alternatively to the requested perimeter, by the inspected State Party; it shall conform to the requirements of paragraph 2 of Part VIII, Section II.C.1.

"Final Perimeter" means the final inspection site perimeter as agreed if necessary in negotiations between the inspection team and the challenged State Party; if such negotiations should not lead to an agreement, the alternative perimeter would also constitute the final perimeter.

"Period of Inspection" means the period of time from arrival of the inspection team at the inspection site until its departure from the inspection site, exclusive of time spent on briefings before and after the verification activities.
