His Excellency  
Mr. Enrique Silva Cimma  
Minister of Foreign Relations  
Santiago, Chile

Excellency,

I have the honour to refer to the discussions between our officials concerning the employment of dependents of employees of one Government assigned to official duty in the other country and wish to propose an Agreement between the Government of Canada and the Government of Chile in the following terms:

1.- The two Governments agree that, on the basis of reciprocity, dependents of diplomatic, consular, administrative and technical personnel of Diplomatic and Consular missions accredited in the other country, will be authorized to accept employment in the receiving state, in accord with the terms considered in the present Agreement. These benefits would be extended equally to the dependents of the personnel of either Government accredited to an International Organization with Headquarters in the other country.
