[*English*]

Mr. Speaker, I have had discussions with the opposition Parties regarding unanimous consent to defer the tabling of the 25th Report of the Striking Committee until shortly after one o'clock. I would ask that you secure that agreement.

The Acting Speaker (Mr. Paproski): Is that agreed?

Mr. Fennell: Yes.

The Acting Speaker (Mr. Paproski): Is that agreed?

Some Hon. Members: Agreed.

CONSUMER AND CORPORATE AFFAIRS—SECOND REPORT OF STANDING COMMITTEE

Mr. Bob Horner (Mississauga North): Mr. Speaker, as a representative of the chairperson of the Standing Committee on Consumer and Corporate Affairs and a member of that committee, I have the honour to present the second report of the Committee on Bill C-70, an Act to amend the Hazardous Products Act and the Canada Labour Code, to enact the Hazardous Materials Information Review Act, and to amend other Acts in relation thereto, with amendments.

I want to commend the people who made the work of the committee so easy. It is a tripartite committee consisting of the federal and provincial Governments and management and labour, who worked long and hard on this. I encourage early enactment of this legislation with a view to the safety of people in the workplace.
