Dr. C.A. Dawson,  
School for Social Workers,  
McGill University.

Dear Dr. Dawson:-

The University has been requested to arrange for a few members of its staff to co-operate in a town planning movement which it is hoped to initiate early next year.

Dean H.M. Mackay is acting as convener of the University Committee. I should be very glad if you would consent to help us in this matter.

Yours faithfully,

Principal.
