THE SCIENCE OF HEALTH.

EVERY MAN HIS OWN PHYSICIAN.

Holloway's Pills and Ointment.

Diphtheria, Ulcerated Sore Throat, and Scarlet and other Fevers.

Any of the above diseases may be cured by well rubbing the Ointment three times a day into the chest, throat and neck of the patient; it will soon penetrate, and give immediate relief. Medicine taken by the mouth must operate upon the whole system ere its influences can be felt in any local part, whereas the Ointment will do its work at once.

Bilious Disorders.

In whatever form diseases attacks the liver, it is repelled and exterminated by these searching, painless and irresistible Pills.

Let the sick whom the faculty have abandoned, resort with confidence to this powerful antibilious agent, and a restoration to health and activity will be the unvarying result.

Serofula, Erysipelas, and Salt Rheum.

No remedy has ever done so much for the cure of diseases of the Skin, whatever form they may assume, as this Ointment. No case of Salt Rheum, Scurvy, Sore Heads, Serofula or Erysipelas, can long withstand its influences.

Dyspepsia.

The great scourge of this continent yields quickly to a course of these Anti dyspeptic Pills, and the digestive organs are restored to their proper tone; no matter in what hideous shape this hydra of disease exhibits itself, this searching and unerring remedy disperses it from the patient's system.

Piles, Fistulas, Bad Legs, Old Sores and Ulcers.

Cases of many years standing that have pertinaciously refused to yield to any other remedy or treatment, have invariably succumbed to a few applications of this powerful unguent.

Sickly Females.

Should lose no time in trying a few doses of these regulating and renovating Pills; whatever may be their complaint, they can be taken with safety in all periodical and other disorganizations; their effect is all but miraculous.
