

MANY NOMINEES FOR HYDRO POST

J. L. Church and J. C. Wilson,
M.P., Among Those for
McNaught Vacancy.

STANDARDIZE RATES

Is Mayor Buchanan's Sug-
gestion to Municipal Elec-
trical Association.

When the Ontario Municipal Elec-
trical Association met yesterday a
number of resolutions were passed
dealing with matters of interest to
the Hydro commissions in the munici-
palities throughout the province. W. K.
Sanderson of St. Thomas presided.

Representation on the Ontario
Hydro-Electric Power Commission
was the subject of a good deal of
discussion. Those present felt that
one of their number ought to be ap-
pointed by the government to fill the
vacancy caused by the death of the
late Col. W. K. McNaught. The fol-
lowing men were named from among
those present and their names will be
submitted to the provincial govern-
ment, and it will be asked to select
one from the list to fill the vacancy:
Mayor J. E. Carter, Guelph; T. J.
Hannigan, W. K. Sanderson, St.
Thomas; J. W. Lyon, Guelph; Mayor
Church, J. C. Wilson, M.P., Dundas;
P. B. Yates, St. Catharines; Wil-
loughby Ellis, Hamilton; T. F. Mat-
thews, Peterboro. Controller Ma-
guire's name was also suggested, but
on the request of the controller it
was withdrawn.

At the executive committee meet-
ing held in the morning, Mayor
Buchanan of Ingersoll suggested that
Hydro-Electric rates ought to be
standardized throughout the province.
There should be a uniform rate in the
Hydro zone, he said.

Nasty Rumor.

On the strength of a rumor that
the money of the association was
being used in the Toronto Electric
Light fight, Mayor Buchanan further
stated that "the time has come when
we should express our views forcibly.
Unless we fall in with the views of
men higher up we wouldn't get very
much consideration. We have got to
have a knowledge of our own busi-
ness. We run our own affairs and put
everything in the hands of a few men
we know nothing about."

"What respect?" he was asked.
"It has been rumored that our
money is being used in the Toronto
Electric Light fight."

Two resolutions were passed at the
meeting of the association in the af-
ternoon, one calling for representa-
tion on the Hydro-Electric Commis-
sion and the other, moved by Mr.
Hannigan and seconded by J. B.
Buchanan of Ingersoll, "that the as-
sociation endorse the resolution pre-
viously passed asking that the revised
Railway act be amended to provide
for the control of their own streets by
the municipalities and to co-operate
with the city council in urging the
Dominion government to enact legis-
lation safeguarding the rights of the
municipalities."

Vice-Presidents Elected.

W. K. Kyle of Brockville and J.
B. Buchanan of Ingersoll were elected
to fill the offices of third and
fourth vice-president respectively.
The other officers were elected at a
previous meeting.

J. B. Buchanan made an attack on
the Toronto Hydro Commission, ob-
jecting to their methods of "butting"
into the business of the association.
Controller Maguire replied that Mr.
Buchanan had always knocked Sir
Adam Beck and the Hydro-Electric
Commission.

A resolution was moved by E. J.
Rifon, seconded by Mayor Buchanan,
that Hydro-Electric Commission
bonds in small denominations be
placed on the market through the
municipalities and that the Victory
Loan system of selling them be
adopted.

The summer convention will be held
at Niagara Falls this year.

G.T.R. Passenger Men

From Whole System Meet

A conference of the passenger traf-
fic representatives of the Grand
Trunk Railway System opened at the
Union station yesterday morning. In
addition to the representatives from
Canada, the general agents of the
passenger traffic department from the
road from New York, Chicago, Bos-
ton, Buffalo, Detroit and the other
United States points have arrived for
the conference. The meetings, which
are to continue tomorrow, are being
presided over by G. T. Bell, passenger
traffic manager of the system, as-
sisted by W. S. Cookson, general pas-
senger agent.

EXPENSIVE JOY RIDE.

Cecil Anthony Remanded to Arrange
Payment for Damage to Auto.

Cecil Anthony, who appeared before
Judge Coatsworth on a charge of
criminal negligence, was remanded for
a week to make arrangements to pay
for the car, which was wrecked when
he drove into a Hydro pole on Col-
lege street, Oct. 19 last. Anthony
said the car skidded into the pole
when he was making a turn. John
Sutherland, a passenger, had his leg
broken. The owner estimated repairs
at \$210.

JUVENILE COURT PROBE.

The board of control received a
letter from the Political Education
League yesterday, protesting against
the administration of the juvenile
court.

Five thousand dollars is included in
the civic estimates for an investiga-
tion of the court.

grand jury in the sessions court
against Abraham Kolchakstein, charg-

RESIDENT GIVEN PEACE MEDAL BY POPE

The first "peace medal" that has
been received in Toronto from the
Pope is that of which Mrs. McLean
French is the recipient. The medal,
which was especially struck to com-
memorate the declaration of peace
after the great war, is of silver, with
the head of his holiness and the in-
scription, "Benedict XV. Pont. Max.
II." on one side. On the reverse is
the Queen of Peace, with surround-
ing group, and the inscription, "Re-
gina. Pacis. Ora Pro Nobis." The
medal is enclosed in a red morocco
case, inscribed with the name of the
recipient, and was accompanied by
a letter from Mr. Riordan. Mrs.
French received the remembrance be-
cause of the benefactions of her fa-
ther, the late Eugene O'Keefe, who
during his lifetime was honored with
the title and insignia of papal cham-
berlain.

TORONTO BACKWARD IN HELPING JEWS

Helping Hand Fund Fails in
Objective—Extended
Two Days.

Owing to a number of circum-
stances which are thought to have di-
verted interest from the campaign in
favor of the suffering people of the
Holy Land, it has been decided to ex-
tend the canvass for another two days.
It is said that success in other parts
of Canada is even beyond what had
been expected, but Toronto, up to the
present, has failed in its objective.

"Will Toronto people allow Ottawa
to oversubscribe them?" telegraphs
Mrs. J. J. Allen, the general convener
of the work. Mrs. Allen is in receipt
of daily bulletins telling of the pitia-
ble condition of the people of Pale-
stine. All classes and creeds are sub-
scribing generously, across the line.
The workers are hoping that Toronto
will measure up to its past record
during the remaining days of the
campaign.

A fresh breeze of enthusiasm flew
into headquarters yesterday after-
noon, when thirty-five cadets from
McCauley Street School joined the
workers. Mrs. Fred Armstrong, local
convener, pinned a white satin badge
on everyone of the red-coated lads,
and with this credential they went
out on a "cleaning-up" campaign.
Places missed by the adults were fer-
reted out by the boys. "No one gave
me less than a dollar," said one
bright boy as he handed in his twen-
ty-two envelopes. A good supply of
good clothes from Knox Church con-
gregation was received. Among the
voluntary subscriptions was one of
\$3.05 from the inmates of the Aged
Women's Home. The following

BLAMES BOLSHIEVISM FOR TROUBLE ON FORCE

"That Bolshevism was responsible
for the trouble in the police force was
the opinion expressed by ex-inspector
Stephen before the royal commission
yesterday. He denied using influence
to get P.C. Parker transferred because
the latter had reported him neglecting
to clear the snow off the sidewalk in
front of his house on D'Arcy street.
P.C. Annis testified that Parker had
been called a "fool" and "not fit to
be a policeman" by the inspector for
reporting the infraction of the snow
bylaw.

Commissioner Gunn criticized ex-
inspector Stephen for his re-
marks about Bolshevism and the wit-
ness replied with considerable heat.
The commission will resume this
afternoon when B. W. Essery will
present his argument in the Ellis
case.

Welcome Home

Canadians

It is glorious to see you back again—to know that you who
were prepared to give up life itself in the fight for Freedom, have
gained the objective without being called upon to make the
great sacrifice.

Rousing cheers, waving flags, and hearty handgrips will
greet you. With tears, we watched you go. With pride we
followed your fighting. It is with glad hearts we welcome you back. The wild
delirium on November 11th was mainly because the danger to you had passed.

There will be a number of people less demonstrative in their welcome to you Home
Coming Soldiers. You will understand, for you, too, mourn the comrades left behind.

And now for the days to come.

How best can you settle down into civilian life, and take up the tools laid down for
a while? Profit by the experience you gained in the Army.

Where it is your duty to issue orders, you have learned to demand prompt,
unquestioning obedience—not as a tribute to yourself, but as the means to the
attainment of an end.

That man who brings to the industrial world the loyal co-operation which animated
the Canadian armies, is headed for success and happiness. He will make rapid
advancement.

You learned, too, the value of smartness in appearance. It was not by mere chance
that you acquired the habit of the daily shave with your Gillette Safety Razor. Inspecting
officers demanded smoother chins, and perfection in the Kit, because these things kept
a man alert, and they are well worth preserving in civil life.

You lay down your rifle. You put aside your uniform and accoutrements; but you
would not part with your Gillette—it is the one item in your equipment as necessary to
the man in "civies" as to the soldier.

Your Gillette Safety Razor will continue to serve you every morning.

It is possible that in one of the many moves you have made lately, your
Gillette has disappeared. If you find it necessary to invest in a new Gillette, the
price is still \$5.00 and almost any jeweler, druggist, or hardware dealer is ready
to supply you.

PREFERENCE GIVEN TO TORONTO MEN

Controllers Hear Complaints
From Civic Employes'
Union.

Secretary Mitchell, of the Civic Em-
ployes Union, complained to the board
of control yesterday that some of the
civic departments were laying off em-
ployees, and taking on returned soldiers
who did not belong to Toronto. He was
unable, however, to name a concrete
case. Commissioner Wilson assured
the board that this had not been the
case; returned soldiers of Toronto
were given the first preference, and
civilian ratepayers of the city the
second opportunity.

A report will be brought in by Parks
Commissioner Chambers on the advi-
sability of granting one acre of land
in the city to the Rose Society of On-
tario, for the establishment of a munici-
pal rose garden. The cost would be
\$1,200.

Sir Edmund Walker's proposal for
the demolition of a number of houses
on the site of the Grange, to improve

THE appearance of the museum, was not approved by the board. It was felt that the housing situation was too acute at this time to take such action.

Rotary Club.

The sum of \$3,500 was granted to the
Rotary Club, as a civic contribution
for vacant lot cultivation. W. H. Al-
derman, speaking for the Rotary Club,
said that they would double any sum
the city named. On the motion of Ald.
Robbins the above sum was granted.
City Solicitor Johnston was instruct-
ed by the board of control today to
proceed with an application to the
Dominion Railway Board to compel the
Bell Telephone Co. to issue a tele-
phone directory to its Toronto sub-
scribers that will be more easily read
than the present edition.

Hold Bridge for Child Welfare

A very successful "bridge" was
held at the home of Mrs. J. Knox by
the Queen Mary Circle of the Sir
Henry Pellatt Chapter, I. O. D. E.,
when the sum of \$40 was realized for
child welfare work. Miss Evelyn
O'Donoghue sang charmingly, ac-
companied by Miss Ida Knox. The
tea table was very attractive in a
setting of lace, flowers and St. Pat-
rick favors.

SIR ADAM SILENT RE METROPOLITAN

Should Legislature Override 1916
Hydro Agreement, Hydro Covenant
Void—Known to Disapprove.

Sir Adam Beck refused to state yes-
terday what position he would take
in connection with the proposed ac-
quisition of the Metropolitan Railway
by the city.

Should the legislature override the
agreement made by the city with the
Hydro Commission in 1916 not to pur-
chase any radial lines within the city
limits without the consent of the
commission, this covenant will be-
come void. It is stated that Sir Adam
is opposed to the purchase and there-
fore might be inclined to use his in-
fluence at Queen's Park.

W. N. Tilley, who is looking into
the matter for the city, is expected
to have his report ready soon.

APPEALS ALLOWED.

Justice Middleton has allowed the
appeal of James B. Tudhope and Wil-
liam D. Sheldon from the decision of
master in ordinary, placing them on
the list of contributors of the Port
Arthur Wagon Company, Limited, for
\$10,000 and \$2,000, respectively.

Mr. Justice Lemoine. Judgment.

The plaintiffs claim \$2,000 damages
for injuries sustained by defendant
John Anderson's automobile colliding
with their horse and buggy on the
highway. The harness and buggy
were damaged, and Frank Misner, one
of the plaintiffs, had three ribs
broken. The jury found that the
plaintiffs were not negligent, that the
accident was caused "to a slight ex-
tent" by the negligence of the defend-
ant. They assessed the damages at
\$30. His lordship pointed out to the
jury that as to the assessment their
finding did not appear to be a fair
result of the evidence, and requested
them to retire and further consider
this question. They returned with
the assessment unaltered. Judgment
to be entered for the plaintiff, Frank
Misner, for \$32, and for the plaintiff,
Frederick Misner, for \$8, with costs
on the county court scale, and there
will be no set off of costs. Stay for
