

CHRISTIAN ENDEAVOR HOST.

Third Day of the Annual Convention
at Hamilton.

Yesterday Was a Day for the Little
Ones and They Certainly Enjoyed
Themselves—H. M. S. Junior
Endeavor Appears Once Again—
Endeavorers Hereafter Will Pay
Their Own Way—Election of Of-
ficers—Convention Notes.

Hamilton, Oct. 13.—(Special.)—Yesterday's
sessions of the Endeavor convention in-
cluded the election of officers and addresses by
such noted speakers as Rev. Francis Clark
of Boston and Rev. G. W. Kirby of Brant-
ford, but the biggest thing of all was the
Junior rally at the Armory. There were some
4000 seats in the hall, but as in innumera-
ble instances, little girls held 4-year-old
sailor-dressed brothers on their laps, it
was almost impossible to get a good view
of the children and everything their own way,
and even the persons had to climb down
from the platform to seats below.

The Youngsters in Charge.
Miss Clara Telford of Hamilton, a young
lady of about 16, was chairman, and look-
ed very wise in her golden glasses. There
were some rousing choruses, and then Miss
Ruby Chittman, a pretty little lady, in blue,
with two shining "ribbons" tied in yellow
ribbons, gave an address of welcome to the
home of Hamilton. In her musical way
she said a lot of nice things about the
teachers, and expressed the rosier theology
that the Almighty had been keeping a special
eye on the convention and seen that
all should go well.

A Neat Response.
The response to this pretty speech was
made by Master Joey Gray of Toronto, a
bright, vigorous boy of not over 12. He
started out bravely with "Pardon me,
thank you for all the cordiality," and spoke
of the "spirit of unity that pervaded the
whole assembly." This speech, too,
made a hit and was loudly applauded.

A Toronto Singing Tot.
The big house was then "Let a Little
Sunshine In," and then, as it is in immediate
answer to it, Miss Flo Fieldhouse of Tor-
onto, a tiny lady of about 5, with a big
pink picture hat and a yellow Endeavor
badge nearly big enough to hide her, stepped
out to sing. Although the platform
towered above the reporters' table, Miss
Flo was almost invisible to the audience
until they mounted her on a chair. The
little singer has a voice like a lilt and the
audience was in love with her. A part
of the refrain was about "weeping no
more," but it must be said Flo's face looked
as cheerful as if she had just got a new
doll. There was a regular ovation at its
close, made all the heartier by the wild
chorus of cat calls from every boy in the
hall.

Rev. W. F. Wilson Overruled.
Rev. "More On" Wilson jumped up to
stop it, but he might just as well have
tried to stop Chief Alcockson on his way to
a fire. Any man would have been over-
ruled by a light weight who tried his hand at it,
and certainly "More On" was.

A Nautical Innovation.
H. M. ship Junior Endeavor, with its
sailor crew, then appeared on the scene.

The officers talked of "logs" and "sig-
nals," the "lookout sailor" and the "deck
crew." There were a number of the stock-
holders and the lifeboat sailors, and, to
make everything thoroughly nautical, the
first lieutenant told of adventures with the
pirate ship Drink, and halfhearted escapes
from the torpedo boats. Gambling and
Swearing.

The Union Jack was then run to the top
of the mast, amid the hearty cheers of the
vast audience.

Will Pay Their Own Way.
The motion by Mr. Henderson of
Hessell and Miss Beatrice Hessell, that all
Endeavorers pay their own way, instead of
being billeted, was carried unanimously.

Rev. Elliott Rowe President.
Endeavorers, having come to the conclu-
sion that they couldn't trust the chief
leadership to a better man than the Rev. W. F.
Elliott, elected Rev. Elliott Rowe of Tor-
onto as president.

Election of Officers.
The list of officers for 1899 is: President,
Rev. Elliott S. Rowe of Toronto; vice-presi-
dent, Rev. J. F. B. Macdonald of Toronto;
secretary, Rev. J. S. Henderson, Hessell; sec-
retary, J. P. Cooper, Toronto; treasurer, W. J.
Doherty, London; editor, Rev. J. S. Conning,
Calabro; junior superintendent, Miss L.
Viggin; chaplain, Rev. Dr. Dickson, Galt;
J. N. Dales, Kingston, and S. John Duncan
Clark, Toronto.

An Enormous Crowd.
There never was such a crowd at the
Drill Hall as gathered to-night at the pub-
lic Endeavor meeting. Over 5000 people
got admittance, and then the doors
were closed. Rev. Mr. Rowe made his first
speech as president, and was met with a
great success.

Addresses were also delivered by N. W.
Hoyles, Q. C. of Toronto, and Rev. Fran-
cis Clark, D. D. The song service, led by
W. F. Robinson, was very successful.

The presentation of banners stirred up
the enthusiasm of the audience to a gen-
eral election. The Ontario County got the
first prize banner for the largest number
of reports from societies, affiliated and
unaffiliated. The other lucky winners
were Ontario County and North
Wellington.

Miss Wiggins Resigned.
Miss Wiggins, Provincial Junior Superin-
tendent, caused a sensation by resigning.
Her place is taken by Miss Wainwright of
St. Mary's.

Rev. Dr. Clark of Boston got, besides the
committee of 1898 and the president of the
local union.

To show that they hadn't shouted away
all their energy, the convention decided to
petition the Minister of Militia for a
petition with all citizens. Another resolution put
before the list of Sunday desecrators.

Montreal gets the convention of 1899.

HAMILTON NEWS NOTES.

Happenings in the Ambitions City
Other Than the Work of the
Endeavorers.

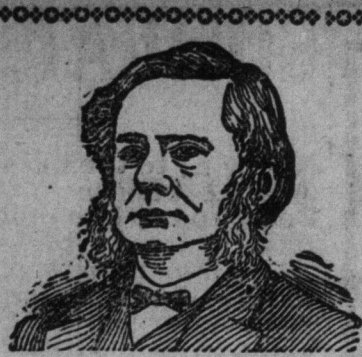

Hamilton, Oct. 13.—(Special.)—The jury
in the case of Robb, who was sued for \$10,
000 damages by Temple, whose wife died
from a kick given by Robb's horse at Tor-
onto Fair a year ago, arrived at a verdict
at 1 o'clock this morning, having been out
about seven hours. It was in favor of the
defendant. The plaintiff has to pay the
costs.

No bill was rendered by the grand jury
in the case of George Goodale, charged with
manslaughter, causing the death of Patrick
Hempstock.

Mike Driscoll was found guilty of steal-
ing a horse from W. A. Reeves. He will
be sentenced to-morrow.

Edward Burke, tried by jury, was found
guilty of aggravated assault on John Beatty
and his brother, John Burke, was found
guilty of common assault on the same man,
and of committing an aggravated assault
on John Devine. Several witnesses in this
case had been in court all week waiting
to be called, and Mr. Macdonald, County
Attorney, however, refused to pay the
payment of fees to any person in the case
except the complainant. An appeal will
likely be made to the judge to-morrow, as
the witnesses have lost considerable time
and money.

Caused by the Students.
A communication was received from Reid
& Halliday, contractors, claiming \$175 for
loss of time and damage to material in
connection with the erection of the Ontario
Normal School last summer. They state
that their material was damaged by stu-

The Canada Club held a "Brook night"
this evening. Addresses were delivered
by Mr. K. W. Martin on "Brook the Sol-
dier," T. S. McPherson on "Brook the States-
man," and C. B. McCallagh on "Brook the
Man." A number of Brook relics were on
exhibition.

Minor Matters.
Francis Bressy of the Bethel Lodging
House fell through the second floor of the
street to-night. He was arrested after
wards for being drunk and doing wilful
damage.

The regular meeting of the Board of Ed-
ucation lasted only ten minutes, the reports
of the committees being adopted without
discussion.

Thomas Littlehales, formerly of this city,
has resigned the position of manager of the
Syracuse Gas Works.

A writ has been issued against John Con-
nor by Thaddeus Ford, who claims \$2000
for alleged assault and trespass.

An axe fell on the foot of Charles Shields,
Catharine-street, and cut his foot badly.

Agents of the Vernal Transfer Company,
Toronto, have canvassed the principal
hotel-keepers here, offering inducements to
them to give all their baggage business to
the company. Local carters are busy in-
terviewing aldermen, urging them not to
grant the company a charter's license.

Rice's clever production, "The Girl From
Paris," will be put on at the Grand Opera
House Friday night.

THE NINE-HOUR DAY.

**Committee of Employing Printers
Agree With International Typo-
graphical Union Committee.**

Syracuse, N. Y., Oct. 13.—The following
agreement was reached yesterday between
the committee of the United Typothetae of
America and the Shorter Work Day Com-
mittee of the International Typographical
Union, the International Printing Pressmen
and Assistants' Union and the Inter-
national Brotherhood of Bookbinders.

The United Typothetae of America agreed
that the nine and a half hour day, or the
57 hour week commencing on Nov. 21, 1898,
and the nine hour day, or 54 hour week,
on Nov. 21, 1899.

That the said unions will endeavor in the
meantime to equalize the scale of wages in
the competitive districts, where at present
there are serious inequalities, upon the
basis outlined by the representatives of
the Pressmen's and Typographical Unions
at the Milwaukee Conference of the United
Typothetae of America.

Provided further, that nothing in this
agreement shall be construed to prevent
local unions, the establishments from mu-
tually arranging the 57 or 54 hours week
respectively, so that Saturdays may be observed
as half holidays.

Provided, also, that wherever the em-
ployees of any city will not, prior to Nov.
21, 1898, enter into an agreement with the
local unions to carry out the above-men-
tioned reduction of hours on the dates spe-
cified, the said union shall not be consid-
ered as restrained from endeavoring to ob-
tain from such employers the nine hour
day or 54 hour week on any such earlier
date as they, in their judgment, may se-
lect.

Discussed the Buffalo Strike.
The International Typographical Union
today in executive session discussed the
printer's strike on The Buffalo Express.

and voted an appropriation of \$2,000 to aid
the Buffalo Union, No. 9. The I. T. U.
of New York, with the assistance of the
Labor in Kansas City were recom-
mended to oppose any action on suffrage in the
District of Columbia. By a vigorous reso-
lution introduced by Delegate B. L. of
Detroit, the Union put itself on record
against anti-ticket legislation by the
Congress. The convention went into ex-
ecutive session and discussed the contract
made yesterday by its Shorter Work-day
Committee, headed by James J. Murphy
of New York with the Typothetae, and
Employers Association.

The executive session was over at noon
and the convention secretary announced
that the contract was unanimously ac-
cepted. Speeches were made which showed
that the action was considered by the
printer's great victory for organized labor.
After a resolution of sympathy for the
striking miners of Illinois, the noon recess
began. The convention dinner occurs this
evening.

East Buffalo Cattle Market.
East Buffalo, N. Y., Oct. 13.—Cattle—
There was but one load of cattle on sale,
with a good demand at steady unchanged
prices. The feeling is strong and the price
good for all kinds of cattle. If the run is normal,
cattle in light supply, only about 40 head;
active demand for good calves at firm yes-
terday's prices. Choice calves sold as fast
as offered. Choice to extra, \$7.50 to \$8.25;
good to choice, \$7 to \$7.50. Sales were in
small bunches at \$7.75, \$8 and \$8.25 prin-
cipally.

Sheep and Lambs—The market was easier
and about 100 lower. Sheep were steady
and the quality of the Westerns was at
present not as good as yesterday, and as
good Canadian sold at \$5.00 to-day as sold
for \$5 yesterday. The offerings included
12 loads of Canada lambs. Western lambs,
choice to extra, were quoted \$3.75 to \$4;
good to choice, \$3.50 to \$3.75, common to
fair, \$3.25 to \$3.50. Sheep, choice to extra,
\$4.40 to \$4.65; common to fair, \$3 to \$3.75.

Hogs—The hog market was active and
higher on the opening under moderate of-
ferings. 25 head. Yorkers were quoted
\$3.80 to \$4; medium and heavy, \$3.80 to \$4;
pigs, \$3.80; roughs, \$3.40 to \$3.55; wags,
\$2.75 to \$3.25. After outside reports in
and the bulk of the offerings were sold
the market dropped 5c and was easier. The
higher prices to-day were considered ab-
solutely normal, as, with anything like a good
run of sale, they would decline.

Circulars were sent to the Public School
teachers yesterday, giving full instructions
as to the class-room temperature.

BEING WELL DRESSED
IS HALF THE BATTLE OF LIFE

Fashion has a wonderfully large family of favorites, and with the matchless oppor-
tunities this establishment of Jamieson's presents there is no excuse for man, youth or boy
to be poorly clad. The power of persistent purpose keeps our Clothing Department in the
lead, keeps it busy—because it deserves to be busy, keeps the stocks at full tide of com-
pleteness, and above all is the unequalled advantage of buying direct from one of the
largest manufacturers in Canada. We manufacture our own Clothing, consequently materials,
fashions and prices can't help being right.
