Spring Display of Children's and Youths' Suits

All you have to do in buying clothing here is to please the eye-there are no risks to run-the quality and price are right. If a garment is here, it's good. Nothing unworthy in the clothing line is allowed on our tables. Absolute dependence can be placed upon every garment. The first consideration is quality—then the lowest price at which it can be sold. Look over this list, or, better still, see the goods:

FIVE STUDENTS SHOT. Steward of the University Which They Attended Filled Them

New York, April 27.—A despatch to The Evening Journal from Canton, N.Y., says: Five students of St. Lawrence University are confined in their rooms with bird shot wounds, inflicted by the college steward, Tracy R. Southworth, who fired upon them as they were attempting to burn down a small frame building near College Hall. As soon as the fire was started, Southworth, who had knowledge of the boys' intentions, jumped from his bed, grabbed a shotgun, threw up a window, and, without a word of warning, fired. Screams from the students told that some of them had been hit, but still Southworth blazed away, firing and reloading as fast as he could, until he had used up 20 rounds of ammunition. Becton, Ont., April 27.—This afternoon the 15-months-old daughter of Thomas Turnbull, near this place, while playing in the yard, fell into the cistern, which had been left uncovered. She had been there about 10 minutes when found. Every effort was put forth to revive the child, but without avail. The bereaved parents have the sympathy of a large circle of friends.

On their return they will reside on Borden-street.

Prospective bicycle purchasers, who desire good wheels cheap, should make it their business to read R. G. McLeod's advertisement of second-hand wheels on another page. These wheels are all in good condition and are among the best bicycle spans of the season.

S. Ackerman, commercial traveler, Belleville, writes: "Some years ago I used Dr. Thomas' Eclectric Gii for Inflammatory Rheumatism, and three bottles effected a complete cure. I was the whole of one summer unable to move without crutches, and every movement caused excruciating pains. I am now out on the road and exposed to all kinds of weather, but have never been troubled with rheumatism since. I, however, keep a bottle of Dr. Thomas' Oil on hand, and I always recommend it to others, as it did so much for me." ed
