G. Hummell's Tender Was Received
an Hour Late, But Aldermen Did Not Notice It.

SECOND TENDERER CLAIMED JOB

Hamilton, June 12 .- A special meetng of the City Council was held at 5 clock this evening. It was called on account of a tangle which the aldermen got into over awarding G. Hummell the contract for building a sewer Fullerton-avenue. The second tenderer claimed the job because Hummell's tender came in an hour late. The city clerk endorsed this on the envelope, but the Sewers Committee did not notice it, and the Council at its regular meeting ratified the awarding of the contract to Hummell.

of the contract to Hummell.

At the meeting to-night the aldermen again told Hummeil to go shead, but he must guarantee to complete the work in four weeks and to allow the contractor for the Barron Building Company to make connections as he goes along.

The Finance Committee met and accepted the resignation of Thomas Morrison, a cierk in the Tax Department, who is going to study medicine.

William Beard, the accountant in the local office of the Canada Life Assurance Company, who is charged with stealing \$3497, came up before the police magistrate this morning. The Crown wanted him remanded for a week. The magistrate would grant only till Monday. He said it was one of those cases where the court might be used to squeeze money out of the prisoner, and he announced that he would discharge him if the Crown was not ready to go on Monday. He fixed bail at \$4000. The prisoner's father is the messenger at the head office of the concern in Toronto.

> Police Baffled. Coroner Griffin opened an inquest this evening on the body of the infant found on Main-street early this morning. The doctors at the City Hospital will hold a post-mortem examination, and the result will be awaited with interest by the region wheeders that terest by the police, who admit that they are completely baffled. The body is that of a well-nourished child, abo hree months of age. It had been dead hree or four days, and is rather badly lecomposed. No theory yet suggested eems to explain the case. If the coungster died a natural death, nothng would be gained by throwing it on he roadside, and if it was murdered here would be additional reasons why t should not have been disposed of in hat way. It has been suggested that it may have been dug up by body snatchers, but the objection to that theory is that it would be too young for a good subject. Special From Norwich, Ont. The recovery of Mr. Norman Batty, Hardware Merchant, one of Norwich's cldest and most successful citizens, has excited much comment. For years Mr. Batty has been an unceasing sufferer from Catarrhal Asthma, and atthough no end of time and money was spent relief was not obtained until Mr. Batty commenced Catarrhozone treatment, which perfectly cured him. This case is only equalled by that of Mr. Bannon, wife of J. J. Bannon. Druggist, who was also cured of Asthma and Hay Fever by Catarrhozone after thirty years' suffering. #### The Vudor Screens.

Toronto, the city of homes and verandahs, takes kindly to the new American verandah shade. It threatens to entire ly supersede the canvas awning. It allows the air to circulate freely while affording a complete shade from the sun. The name "Vudor" means capable of being seen throughthat is by those within. From outside, however, Vudors are a screen indeed, being perfectly opaque. Thus the verandah becomes the most pleasant room in the house for entertain ing guests in the summertime, luncheons and teas being quite within the range of its possibilities.
