

If a little more interest were manifested by the members of Session and Christian people of the Congregation, it would strengthen the hands, and encourage the heart of the missionary in charge of the work. In retiring from work therefore, I bespeak for my successors the earnest sympathy, the prayers, and the occasional visitation, at the services, of the members of Session, and Christian workers of the Congregation.

Respectfully submitted,

D. J. GRAHAM.

NOTE—The following have been appointed by the Session as missionaries in connection with the Nazareth Street Mission :—MR. GEO. MCGREGOR and MR. HECTOR MACKAY.

Ladies' Visiting and Aid Society.

PRESIDENT, - - - MRS. G. HYDE.

This year the cases needing assistance in our own Congregation, have been very few indeed. Other, and varied claims, have however been laid before us, as a society, and having the means placed at our disposal for the relief of some of the deserving poor, we have been glad to give assistance in various directions. Since last year's report twelve cases have been relieved. Twenty-five dollars, with parcels of new and worn clothing, were given to the Nazareth Street Sabbath School Mission.

A large quantity of warm clothing was contributed to the Box sent to Grand Forks, British Columbia, this Autumn.

Much interest was taken in providing an excellent outfit of clothing for the little deaf and dumb girl assigned to us in the Mackay Institute.

The work of Madame Coté and Miss McSween, in connection with the Presbyterian Woman's Missionary Society, was remembered as usual. Both of these workers meet with much sadness and wretchedness in their visits among the poor of the city, and appreciate, in no small degree, all the help afforded them.
