

asking for help for a Hungarian Missionary in Assa., when the ladies of our Society, with the help of the ladies of the Visiting and Aid Society, sent off another large box of clothing, for which also, a letter of acknowledgment and thanks has been received. In March we provided luncheon for the members of executive, representatives and delegates, to the annual meeting of the whole Society, the meeting being held in Crescent Street Church. After our own annual meeting last year, and before the annual meeting of the Society, we had several meetings devoted to the discussion of the allocation of the funds, and it was finally decided, that the funds of the Society should be sent in to the General Treasury, to be allocated at the annual meeting of the Society, by the executive and representatives from each Auxiliary, the sending off of boxes of clothing, etc., to North-West and elsewhere to be undertaken by our Auxiliary.

From January to April last year, the sewing class at Nazareth Street was carried on under the auspices of our Society. The class met every Wednesday afternoon. The children were taught darning, mending, etc., all the work done was exhibited at the closing meeting, then given to the children, each child getting what she herself had sewed.

The class has been started again this year and will be carried on as before.

Respectfully submitted,

C. DAVIDSON,

Secretary.
