After Wednesday* next it will be possible for the Barrow league teams to carry as many as twenty-two players. Lajole has been angling for a couple of pitchers for some time, and his efforts promise to bear fruit at once. The surprisingly good form shown by Al. Leake of late has made a big difference to the Leafs. Given a little good pitching, they will thump out enough runs to win a very large percentage of their games. Newark will use Bruno Haas again, and Jack Dunn has several irons in the fire. Haas has

LEAFS' AVERAGES

The Leafs took part in nine games since last Monday's averages were published, and Larry's boys did some tall clouting. The big Frenchman still has his batting eye with him and improved his mark by four points. Larry leads the Leafs, and is the International League's real hitting leader.

Frank Truesdale is romping along at a great clip. He collected 19 hits in the 9 games, and is second to Lajoie on the Leafs' roster. Truesdale picked up 15 points during the week, and is a very valuable asset to the club. Joe Schultz's trip across the border to take examination for the United States army did not hurt him. Joe improved his average by 6 points.

Russell Blackburn is hitting the ball

The fact that a winning pitcher always stands out brighter in the limelight than any other player, if he is really a star, accounts for the naming of so many pitchers here. And the work of the aforementioned pitchers this year has been really wonderful. There are other players on each of the abovenamed clubs who would come in for a lot of support if the fans were given a vote.

Club Want Him. Toronto, Aug. 13.—Will Manager Larry Lajoie of the Leafs be drafted? That's what's been troubling the local ball club for some time. Larry has received three offers to go to the major leagues and play first base, two of them being from St. Louis and Boston in the National League, and the other from the New York Americans.

To all these offers Larry has turned a deaf ear. The Toronto manager's reasons are that when he was with Cleveland he wasn't his own boss. With Toronto it is different. He has com-OTTAWA, Aug. 12.—The annual regatta of the northern division, Canadian Canoe Association, took place on the Ottawa River Saturday, resulting in a sweep for the Ottawa-New Edin-burg crews. He has complete charge of the players as is shown in the Smith and Graham cases, and while he has a good ball team, Larry says he will have a better one next year.
