POWER POLICY CARRIES BOTH THE HAMILTONS

Whitney-Beck Scheme Was Leading Plank of Hendrie and Studholme.

HAMILTON, June 8.—(Special).—The Whitney-Beck power scheme scored a magnificent victory in Hamilton to-day when Hon. Jno. S. Hendrie, Conservative, was elected in West Hamilton by a plurality over W. H. Wardrop, K.C., Liberal, of 1558, and Allan Studholme, Labor, one of the most ardent supporters of the power policy, defeated J. J. Scott, K.C., Conservative, and W. M. McClelland, Liberal. His plurality over Scott was 79 and over McClelland, 148.

Backed Power Policy. Col. Hendrie and Mr. Studholme were the only two candidates who came out and took a decided stand in favor of the government's power policy. Col. Hendrie defeated Mr. Wardrop in every ward in the western riding and in every division in Ward 2.

HON. COL. HENDRIE Minister Without Portfolio, Who Got a Big Majority in W. Hamilton. gave him a plurality of 74 Ward 8, 496; Ward 4, 565; Ward 5, 423. The vote in the Hamilton wards was:

Table with 3 columns: Ward, Hendrie, Wardrop. Totals: Hendrie 1558, Wardrop 252.

Liberal Was Not in It. Scott ran ahead in Wards 1 and 2, but Studholme defeated him in 6 and 7, and defeated McClelland in every ward but Ward 1.

Warrants Issued. In connection with the alleged attempt to sell ballots in West Hamilton, warrants have been issued against W. Lawson, the deputy returning officer, and H. Dillabaugh, the poll clerk.

The Hamilton Methodist Conference resumed business this afternoon. Rev. Dr. A. L. Lee, Brantford, reported that he had received a petition from the chiefs of the Six Nations Indians, protesting against the move of the warriors' association to wipe out the system of hereditary chiefs.

A memorial will be erected to Major Neel, the first Methodist in Upper Canada. Next year the conference will meet in the Wellington-street Church, Brantford.

Will Filter Water. This morning John Jury gave himself up to the police, saying that he was a deserter from the Medical Service Corps, Halifax. In police court he pleaded not guilty and was remanded. City Engineer Barrow says that in the future practically the whole supply of water for the city will be filtered.

Hotel Hanrahan. Corner Barton and Catherine-streets, Hamilton, modern and strictly first-class. Rates \$1.40 to \$2 per day. Phone 1465.

W. K. McNaught, member elect for seat A in North Toronto, took a very happy view of his life and entertained a high opinion of the electorate of North Toronto last night.

Later in the evening he came down town and addressed the crowd on Bay-street from a balcony on The Mail building. On behalf of himself and Mr. Shaw he changed the electorate for election. It was the proudest day of his life.

Results in North Toronto came neither as a surprise nor a shock to D. C. Hossack, the Liberal candidate. He waited for the returns in his committee room, Yonge-st., near the C. P. R. tracks.

San Francisco, June 8.—According to a report brought to this city by the steamer Aeon, just reaching here from Apia, Samoa, the volcano Mt. Fuji, which broke out in August, 1905, on the island Savai, one of the Samoan group, is again in violent eruption and covered a large and fertile part of the island, which previously was uninhabited.

That Holiday Feeling takes hold of everybody at this season of the year, no matter what your walk in life may be; it affects one and all alike from the office boy to the president. Nature demands a relaxation from the daily grind of city life.

"The Factory behind the Store"

WHAT SHALL I GIVE THE BRIDE?

Why not give a handsome Bag, Suit Case or Umbrella? Nothing could be more acceptable. A gift of this kind will be taken away on the honeymoon trip, and will be of lasting value for years to come.

Here are two lines fresh from the factory that we wish to call special attention to.

PIMPLES AND DISFIGURING BLOTCHES.

They place many young girls at a great disadvantage in life. The only cure is a blood purifier like Ferruzone. It cleanses the crimson flood of poisons and impurities, renews and strengthens it, and makes lots of red corpuscles that manifest their presence by a ruddy, healthy glow in the cheeks and lips.
