BASEBALL TALK.

"Nothing doing" was all President Dovey of the Boston Nationals said concerning the attempt to make a deal with the Prittsburg club for "Young Cy" Young. A cash offer for Young was refused. President Dreyfuss and Manager Fred Clarke of the Pittsburg club were in consultation with Manager Fred Tenney of the locals in the office of the club in the Paddock building yesterday morning and they failed to arrive at any agreement. Boston wanted a catcher and an outfielder, and while Manager Clarke could use "Young Cy" he could not see his way clear to give Tenney what the latter wanted. It is safe to say there will be nothing doing in the way of a deal so far as Pittsburg is concerned.

Manager Tenney has another deal in the ari. Without a doubt New York would like to make a deal for Young. That club has been desirous for a long time to secure the player and is in a good position to make a desirable trade.
