

The Gold Medal presented by the staff of a portion of the Press of Montreal, was a very handsome prize for which the Association are duly thankful.

The Members of the Provincial Cabinet subscribed for and presented a prize to be competed for by the City Corps of Montreal, which did duty at Quebec during the riots there, consisting of a handsome pair of candlesticks which were won by Lieut. Campbell of the Victoria Rifles.

The Consolidated and Molson's Bank subscribed to the funds of the Association, as did also many of the citizens of Montreal, both in money and kind, and the thanks of the Association are hereby tendered therefor. The Extra Series Match which the Association was enabled to open, was the greatest success of the meeting.
