This is a table by day and a bed by night. It looks like a perfect library table, doesn't it? So it is; but three turns of the wrist and it is a bed, comfortable and sanitary.

Come in and see how innocently the table hides springs, mattress, pillows, blankets, sheets and coverlet.

Rev. B. H. Thomas, penitentiary chaplain, spoke last night in the school room in Victoria Street Baptist church, taking as his subject "The Home of The Man in Stripes."

Receipts from the harbor were \$1,721.25 greater for the month of October, 1916, than they were for the corresponding month last year. The figures for last month are \$6,254.22.

Forest S. Murie, son of W. F. Murie, of Wells P. O., St. John county, was one of the engineers on the steamer Huntsfall, which was sunk by a German submarine on October 27, according to an official statement from Washington. As there has been no word of the crew, it is feared that Mr. Murie, with the others, has lost his life.

A transformer box on an electric light pole caught fire last night and burned with a blue flame that lighted the whole neighborhood. In consequence the electric lights in Princess street buildings were out for about fifteen minutes.

Patrick Slavin, a resident of Willow Grove, narrowly escaped death last night when his rig crashed into the Glen Falls street car at the corner of Marsh road and Thorne avenue. The team was upset and Mr. Slavin was thrown to the ground and sustained a bad cut on the head. He was removed to the hospital. The horse was quite badly cut.
