

FORKE DENIES PROMISING BYNG TO SUPPORT CONSERVATIVES

PROG. LEADER IS SPEAKER AT KING MEETING

Says Governor-General "Loveable" But Questions Ability

RAPS MEIGHEN

Room for Second Chamber at Ottawa But Not Like Present One

Canadian Press

BRANDON, Man., Aug. 18.—Speaking from the same platform as the leader of the Liberal party last night, Robert Forke declared that if Mr. Meighen had endeavored to form a real ministry instead of a temporary one, the Progressives would have seen the legislation through to the end.

Even Sir Henry Drayton could not find adequate terms to describe the provisional government and a condition arose which was intolerable. The closing of Parliament by Mr. Meighen was the act of a Mussolini. "It was an insult to the people of Canada. It was sharp practice. If you are satisfied with that kind of thing, I am not," said Mr. Forke.

Of the Liberal-Progressive co-operation, there was nothing clandestine, secret or dishonorable. "The government lived loyally up to its promises and gave us the legislation promised early in the session. There was nothing for us to do but live up to our part of the agreement."

Mr. Forke criticized Premier Meighen's position on freight rates. "The Prime Minister had no use for statutory rates and would turn the whole matter over to the Railway Commission."

"I have not very much confidence in the Railway Commission. If you want Cows' Nest rates, keep Mr. Meighen from being returned," Mr. Forke added.

"SENATE A HARD NUT." The Senate was "a hard nut to crack." Its pensioners had refused old age pensions to Canada. "I think there is a place in Canada for a second chamber, but not the kind we have in Ottawa. There ought to be something sensitive to the will of the people," said Mr. Forke.

Mr. Forke made strong denial of the story that he had been consulted by Lord Byng on the subject of Progressive support for the Conservatives.

"Mr. Meighen had been sworn in as Premier before I had any conversation with the Governor-General," said Mr. Forke. "Lord Byng was a most lovable man, but I question if he was capable of meeting the circumstances when he met a wily politician who wanted to get power."

The fourth annual picnic of the Rotary Club for the boys of the South End and East End clubs was held yesterday afternoon at Tucker Park under ideal weather conditions. The Rotarians again showed themselves past masters in the art of giving the boys a good time. There were about 200 of the boys on the outing and they were transported to and from the grounds in automobiles and motor trucks which left King street early in the afternoon. Charles Lingley was in charge of the boys from the South End and those from the East End were looked after by Frank T. Lewis.

In transporting the boys to and from the picnic grounds about 40 automobiles and three auto trucks were used. The party returned to the city about 7:30 o'clock last evening, the entire crowd having had a most enjoyable outing. Before leaving the grounds the boys gave three hearty cheers for the Rotarians. Among the guests present were Commissioners Frink and Harding and Hon. R. J. Ritchie.

While at the grounds the boys were treated to sandwiches, ginger ale, cream and fruit, and greatly enjoyed a program of races and jumps, the winners receiving excellent prizes. Costumes Give Judges Difficult Task in Determining Prize Winners

The annual masquerade dance at the Westfield Country Club last night was one of the most enjoyable and successful yet held. There were many present and the costumes of the dancers were most attractive and colorful. The judges had a difficult task in selecting those who were the best in the various classes and it was necessary to award several special prizes for costumes which were exceptionally good. Mrs. W. Milner Wood, as a French Gentleman, won the ladies' first prize and the ladies' special prize was awarded to Miss Eleanor Shaw, as an Old Fashioned Lady. The prize for the best gentleman's costume was won by Harry Bishop, dressed as an Indian Prince, and a special prize was awarded to John Hawley, of Fredericton, who represented a Pirate. The best costume prize was awarded to a quartette representing the Townsville Trolley characters, the members of the group being Miss E. Mitchell, Miss Mabel Currie, Miss Margaret Nisga and Miss Peterson.

The prize for the most original costume was awarded to Mrs. David Likely, who was a "Birch Bark Lady." The best child's costume prize went to Jean Brown, as "Colored Gentleman," and the special children's prize was awarded to little Miss Keefe and little Miss Constance Schofield, who were dressed as Mr. and Mrs. Tom Thump. Other special prizes were given to H. P. Rankine, who was dressed as a sandwichman, and to R. H. L. Skinner, who wore an English Coter costume.

The judges were E. R. Machum, Mr. H. L. Abramson, F. T. Harbour, Mrs. F. G. Spencer, Mrs. F. N. Puddington and Mrs. A. C. Puddington.

Many Attend Novel Event in Clubhouse—The Prize Winners

The success of the "Advertising Masquerade" at the Renforth clubhouse last evening far eclipsed the most sanguine hopes of its organizers and afforded great enjoyment to the large numbers present. The capacity of the clubhouse was taxed to accommodate

all of the patrons of the dance and the costumes were splendidly contrived. Between 30 and 40 local firms were represented in the costumes worn and their appearance was made a doubly real "advertising" masquerade in the giving away of sample packages of their products. The Admiral Beatty Hotel orchestra provided a splendid program of dance music.

The Renforth Outing Association was heartily congratulated on the success of the evening and on being the first to introduce in this locality a novel form of masquerade that proved so popular.

The prize winning costumes were as follows: Miss Amy Holder, as "Holder's Ice Cream"; Miss Doris Dewes, as "White Lily Biscuits"; Harry Morton with the two children, Graeme Clarke and May Tapley, as "Cream of Wheat"; George Price, Drew Mulcahy and Kenneth Nisbet, as "Camel Cigarettes"; and Marlin Merritt and partner as "Smith Brothers' Cough Drops." A door prize of a bag of flour was won by Shirley Peters, and one of a box of biscuits by Mrs. S. H. Taylor. The judges for the costumes were Mr. and Mrs. Wilson and Mrs. Fisher.
