

ATTACK ON TOM MOORE FAILS AT CONGRESS

Attempt to Abolish Salary of President Is Defeated at Session

MONTREAL, Sept. 21.—An attempt on the part of John W. Bruce, organizer of the United Association of Plumbers, Gas and Steam Fitters at today's session of the Dominion Trades and Labor Congress, now assembled here to do away with the regular yearly salary for the president of Congress, ended after much debate in a whole-

sale endorsement of President Tom Moore. Only Mr. Bruce himself voted for his motion. In the course of his speech, which also urged that there should be a part-time president at the rate of \$12 a day and expenses employed, Mr. Bruce criticized President Moore, but delegate after delegate rose to eulogize the work of the president. An effort on the part of Delegate Armand to have expunged from the record of Congress the entire matter raised by Delegate Bruce caused much discussion of technicalities and was defeated, the convention holding that the resolution brought in by Mr. Bruce did not contain slanderous or scurrilous matter. Warning to labor men that they should not rely too much on aid from agencies outside their organizations, was given to the congress. The advice came from A. O. Wharton, president of the International Association of Machinists of America. He urged every effort be made towards restoring the "kick" and "punch" to the organizations, because to take those qualities out meant that little would be left to the organizations. Mr. Wharton referred to some of those within labor ranks, who wanted industrial and economic conditions revolutionized overnight, and who, he claimed, did more harm within the ranks of labor, than men actually paid by the employers could do themselves.

YOUTH KILLED IN FALL FROM BATHURST ROOF

Arthur Hachey, Repairing Paper Mill, Drops 50 Feet to Floor

BATHURST, Sept. 21.—A distressing accident occurred at the Bathurst Paper Company Limited Paper Mill at 7:30 o'clock this morning when Arthur Hachey, son of Mr. and Mrs. William Hachey of West Bathurst, was instantly killed in a fall from the roof of the building to the concrete floor about 50 feet below. The unfortunate boy is 17 years of age and with others was repairing the roof of the paper plant.

Hachey fell through the skylight and before hitting the concrete floor below struck one of the paper machines. The deceased was only in the employ of the company a few days. Besides his parents he is survived by one brother, Wilfrid, and three sisters, Agnes, Evelyn and Emma, all of West Bathurst.

SOCIAL EVENTS ARE VERY DELIGHTFUL

Delegates to Annual Meeting of Diocesan C. W. L. Nicely Entertained

Delightful social gatherings were held in connection with the annual meeting of the diocesan branch of the Catholic Women's League which convened in the city on Tuesday. A luncheon and a supper at Rosary Hall and a pleasant gathering after the general meeting in the Knights of Columbus hall being included in the convention program. The Moncton delegates were met at the depot by Mrs. J. L. Sugars, first vice-president and were taken to Rosary Hall where they were guests of the local hostesses. The dining room presented a striking and pleasing appearance with a profusion of autumn flowers effectively arranged in the decoration scheme, for which the prevailing colors were pink and mauve. On the table sweet peas in a flat silver bowl were the central ornament, and pink and mauve candles, in silver candlesticks enhanced the charming effect. Following the business session of the afternoon the 26 members of the diocesan branch were guests at a very nicely served supper also held at Rosary Hall when the decorations were similar to those of the noon time gathering. The executive of the Saint John sub-division entertained all the members attending the general meeting in the Knights of Columbus Hall at a social hour. Mrs. W. T. McGowan was the general convener. The refreshment table was attractive with its decorations of gladioli and fall flowers in a silver basket and pink candles in silver candlesticks. Mrs. P. J. Power and Mrs. E. J. Henneberry presided. There were unusual numbers by Miss Vida Waterbury and the Misses Terrie, and a reading by Miss Beatrice Gonnell.

"I'm sorry," said the pitcher, "but if Biggie is going to umpire today, I don't think I'd better play." "What not?" inquired the manager. "You see, it's this way," explained the pitcher. "Last winter when I was down in Florida I sold him a lot."

TRY MAGNESIA FOR STOMACH TROUBLE

To Neutralize Acidity and Fermentation. Prevents Indigestion, Sour Stomach.

People who suffer from indigestion usually have tried poppin', charcoal, drugs and various digestive aids and know these things will not cure their trouble—in some cases do not even give relief.
