IF YOUR EARS RING WITH HEAD NOISES

If you have roaring, buzzing noises in your ears, are getting hard of hearing and fear Catarrhal Deafness, go to your druggist and get 1 ounce of Farmin (double strength), and add to it 1/4 pint of hot water and a little granulated sugar. Take 1 tablespoonful four times a day.

This will often bring quick relief from the distressing head noises. Clogged nostrils should open, breathing become easy and the mucus stop dropping into the throat. It is easy to prepare, costs little and is pleasant to take. Anyone who has Catarrhal trouble of the ears, is hard of hearing or has head noises should give this prescription a trial.

WIDOW AWARDED \$30,000.

Kissing an Issue in Breach of Promise Case.

New York, April 1.—Mrs. Alice W. Moore, 154 West 94th street, widow of Robert Moore, a wealthy broker, was awarded a verdict in the supreme court for \$30,000 against Dr. Joseph A. McPhillips of No. 1 West 94th street for an alleged breach of promise to marry her.

A jury gave Mrs. Moore the verdict after having listened for several days to the evidence. Counsel for Dr. McPhillips moved to set aside the verdict on the ground that it was contrary to the weight of evidence. Justice Ford reserved decision upon that motion. Mrs. Moore testified that not only did she allow Dr. McPhillips to kiss her

CHICAGO FIREMEN VOTE TO RESIGN

Not Satisfied With \$192 a Year Increase Voted Them.

Chicago, April 1.—Five hundred Chicago firemen yesterday voted unanimously to resign in a body on April 7, in protest against the \$192 a year wage increase carried in the city budget. The budget added \$4,000,000 to the original appropriation bill and exceeded the city's estimated revenue by the same amount.

Salary increases asked by all city employees totaled \$5,000,000. Nearly 1,000 city employees were on strike yesterday for higher wages, and several hundred others were forced out of work through the tying up of municipal activities. Increases of \$192 a year for policemen and firemen, \$150 for junior clerks, and \$150 for clerks in higher grades were provided in the budget. All of these employees asked for increases of \$300 a year.

Lift Off Corns!

Doesn't hurt! Lift touchy corns and calluses right off with fingers

Apply a few drops of "Freezone" upon that old, bothersome corn. Instantly that corn stops hurting. Then shortly you lift it right off, root and all, without pain or soreness.

Tiny bottles of "Freezone" cost but a few cents at drug stores

Without doubt—the highest quality Shoe for Children

ASK the mothers who have bought them and they will tell you very much what one mother told us:—

"I would rather buy one pair of Hurlbut Shoes than have three cheaper pairs worn out in the same time."

Ask the retailers who sell them: even those who do NOT, are compelled to admit that no other children's shoe surpasses Hurlbuts in those requisities—namely, Style, Comfort, and Durability—that constitute true QUALITY.

We, ourselves, claim there is no other shoe to EQUAL them.

Only the best of material—only the most careful workmanship—and, first of all, only the most scientific principles of design—are allowed to enter into the construction of Hurlbut Shoes.

When you are asked to pay somewhat more for Hurlbuts than for "ordinary" shoes, remember that it is just this difference of price which makes possible the outstanding QUALITY contained in every pair of Hurlbuts and that they actually DO represent "lowest-price-per-day's-wear."
