SAND POINT WHARVES Mrs. T. G. Alexander, of Hawthorne, After Twelve Years's Suffering, Tells the Public What They are Doing For Her.

Hawthorne, Ont., Nov. 17—(Special)—

"There is nothing like Dodd's Kidney Pills for a sore back." That is the statement of Mrs. T. G. Alexander of this place, and all her neighbor agree that she should know. I suffered or elve years from a pain in my back, I terratism and Heart Disease," Mrs. Axan tinues. "I was alwars tred on ervous and my sleep was prolen, a dum freshing. Since taking Do d's Kidney Pills I ar feeling much bette that I sel I must say a g d word for them."

No matter how long you have su fered, Dodd's Kidney Pills cannot fail help you if your trouble is of the Ki neys. If you use Dodd's Kidney Pills arly the cure will be quick. If your to hole is of long standing it will take the hologer to cure you. But they always cure. People from all parts of Canada, he have been cured are telling about if in the newspapers almost every day."

It is announced that the new wharf at West St. John, the first of the series planned by Hon. Wm. Pugsley, will be built by Michael Connolly, who has done considerable wharf building and dredging is this harbor. The contract includes a 300 foot extension of the C. P. R. wharf facing the harbor. From this point the new wharf will extend inwards at an angle of 880 feet. At the head of the slip a far ther 300 feet at right angles will be built, also the head to the second slip.

These two heads and also the wharf it self will act as retaining walls beyound which the mud from the dredges will be due bed, providing a foundation for rail was tracks and yard room. The beach be mid Protection street will be filled in and a start made on the neutral right of way, 400 feet wide, which will separate the new wharf. The substructure will be of birch to a height of 8½ feet above low water, and the superstructure of concrete. The top of the wharf will be 35 feet above low water, Steamers with a draft of 62 feet.
