# THE GREAT CAUSE OF HUMAN MISERY.

We have recently pullished a new edition of DR. CULVERWELL'S CELEBRATED ESSAY of the radical and permanent cure (without medicine) of Nervoys Debility, Mental and Phycial Incapacity, impediments to Marriage, etc. resulting from exoresses.

The celebrated author in this admirable Essay clearly demonstrates, from thirty years successful practice, that alarming consequences may be radnally cured, without the dangerous use of intercal medicine, or the application of the knife; pointing out a mode of cure at once simple, certain and effectual, by means of which every soff eres, no matter what his condition may be, may cure himself cheaply, privately and padicasty.
