ONE WAY TO ECONOMIZE.

Many a poor man, if required to account for come, would find bills of his family physician for "medical services" among the leading items In seven cases out of ten, acute diseases are the result of some neglected chronic disease. Thus fevers invariably result from diseased conditions of the blood and liver, and a timely use of alterative, or blood-purifying and cathartic remedies would have averted the prostrating illness that often leaves the system irreparably injured. Dr. Pierce's Golden Medical Discovery and Pleasant Purgative Pellets, are the at alterative and cathartic medicines yet compounded. Full directions are given for administering them, together with an accurate description of the symptoms demanding their use. They will not cure all human ills as (some
